1966

The final retreat was held and Old Glory was lowered at 11:30 a.m., June 11, 1966, closing the twenty-ninth session, and observing the thirtieth anniversary of Kansas American Legion Boys' State.

We dedicate this annual to each of you, who by your participation and presence made the record of the 1966 session the most satisfactory of all Kansas American Legion Boys' State sessions.

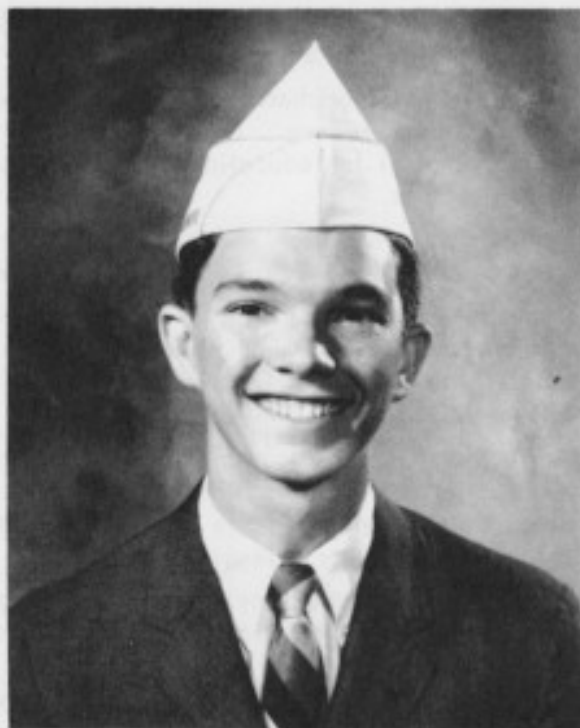

We of the American Legion do hope that you who were delegates to this session as Staters have taken with you an idea of the operation of our form of government consisting of City, County and State, and will share this information with your fellow students so that they might also be better informed.

We of the staff of the American Legion Boys' State extend a vote of most sincere thanks to you who served as Counselors in making this a most successful session. From the Board of Directors to the American Legionnaires who gave of their time and effort throughout the year--and especially to those who spent the week at Boys' State--for your assistance and cooperation we extend to you our heartfelt thanks and hope that we may see you at the next session with others with whom you may share your enthusiasm, so that we may continue to improve and make each session better than the last.

Sincerely,

Gib Mantey

Gib Mantey
Executive director

It was, indeed, an honor to be selected as your Boys' State Governor. For me it was the climax to one of the most memorable experiences in my life, an experience through which we all learned. Our week at Boys' State offered each of us the knowledge, the satisfaction, and the pride of learning by participating.

To be sure, we owe a tremendous debt to the men of the American Legion and the officials of the University of Kansas. But I'm sure that they would have us pay it by returning to our communities and applying the knowledge we gained at Boys' State to each activity in which we partake. I'm sure they would have us combat complacency and strive to make our communities better places in which to live.

Boys' State is over for many of us. But the knowledge we gained and the friendships we made will live forever. I hope that it has made us all better citizens of the world.

Sincerely

Larry Wohlford

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (department meaning 'state' in the Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government in-action training program. Within these past 30 years, virtually every state Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall.

The program is no longer limited numerically by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as Legion posts sponsor delegates.

Over 15,000 Kansas boys--the 1,012 delegates this year bringing the total to 15,428--have participated in Boys' State, performing during each session every function of government, on city, county and state levels.

Selected former Staters--100 of them--return as counselors to Boys' State and are assisted in its direction by 50 Legionnaire advisors and Executive Director Gib Mantey.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys' Nation, which convenes later in the summer in Washington, D.C. Kansas delegates to 1966 Boys' Nation are Governor Larry Wohlford and William Ebert, elected Attorney General.

WELCOME TO BOYS' STATE

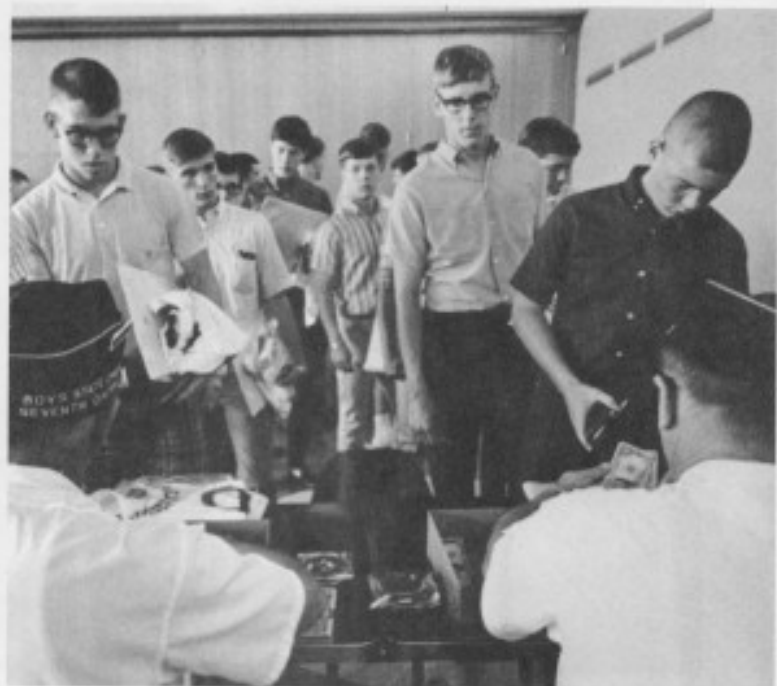

Whether the end of a five or a 500-mile journey, the official arrow pointed the way to a week of unforgettable experiences for each 1966 Boys' Stater.

GETTING SETTLED

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

Rules and procedures for elections were explained and discussed before we elected precinct committeemen Sunday night and caucused to formulate our state party platforms Monday morning. Steve Thurston, Lawrence, was elected Nationalist Party chairman, Eldon Shields, Wichita, Federalist chairman. We filed for county and state offices—each determined to win—at 1p.m., Monday.

CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m., Tuesday.

We splashed our names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

Perhaps most important, we learned that only one can win, but many must lose. And we who lost proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

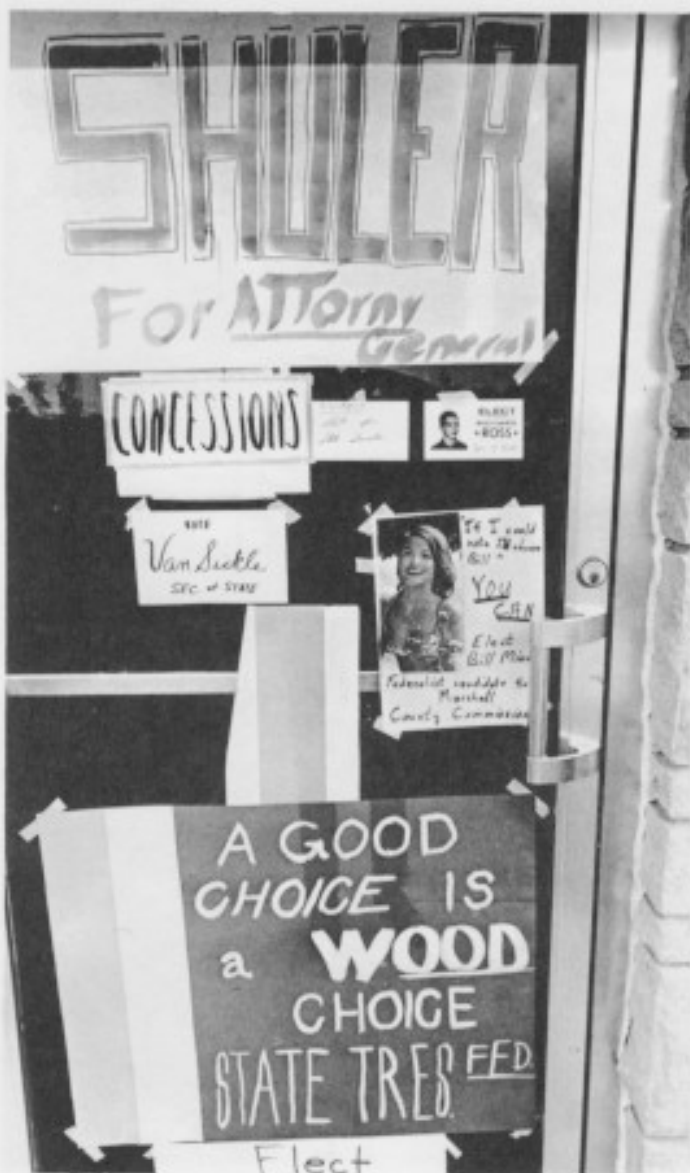

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard . . . vowing victory for our candidates, our declared platform goals.

Roaring 'two-bits, four-bits, six-bits, a dollar' until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.

Each dorm, Lewis, Templin and Hashinger, was decorated with care by each party candidate.

And MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned vigorously for their party candidates. Larry Wohlford (left-upper) corner, during his successful campaign. Candidates, (lower right) and (center) giving their last minute views before general election. Nationalists and Federalists, below and right, giving their familiar "NATS" and "FEDS" yell.

PRIMARY RESULTS

When primary election results were announced at Tuesday night's general assembly, Larry Wohlford won the Nationalist nomination for Governor and Richard Fowler was the Federalist nominee.

Lt. Governor nominees were Richard Lefebvre, Nationalist and Percy Washington, Federalist.

Declared winning candidates for Secretary of State were Nationalist John H. Stevenson and Federalist Weston E. Tenney.

Nominated for State Treasurer spot were Nationalist Jim Armstrong and Federalist James. E. Nichols.

State Printer candidates narrowed down to Gerald Didde, Nationalist and Stephen Jacobs, Federalist.

Nominated to face each other in the general election for Superintendent of Public Instruction were Edwin Cox, Nationalist and Randy Cullen, Federalist.

William Mallory won the Nationalist nomination for Commissioner of Insurance and Doug Ball won the Federalist nomination.

Nominated for State Auditor were Richard Boomer, Nationalist and John Adams, Federalist.

Nationalists nominated Geoffrey Lind to bear their banner into the Attorney General race, while William Ebert won the Federalist nomination.

Nationalist candidates--Larry Wohlford; Richard Lefebure; John Stevenson; Richard Boomer; Jim Armstrong; Geoffrey Lind; Edwin Cox; William Mallory and Gerald Diddle.

YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then, with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Gib Mantey, Executive Director of Boys' State and Patrick J. Finley, Department Commander, American Legion, escorted the new governor to the platform. (opposite page lower left corner)

YOUR LEGISLATURE CONVENES

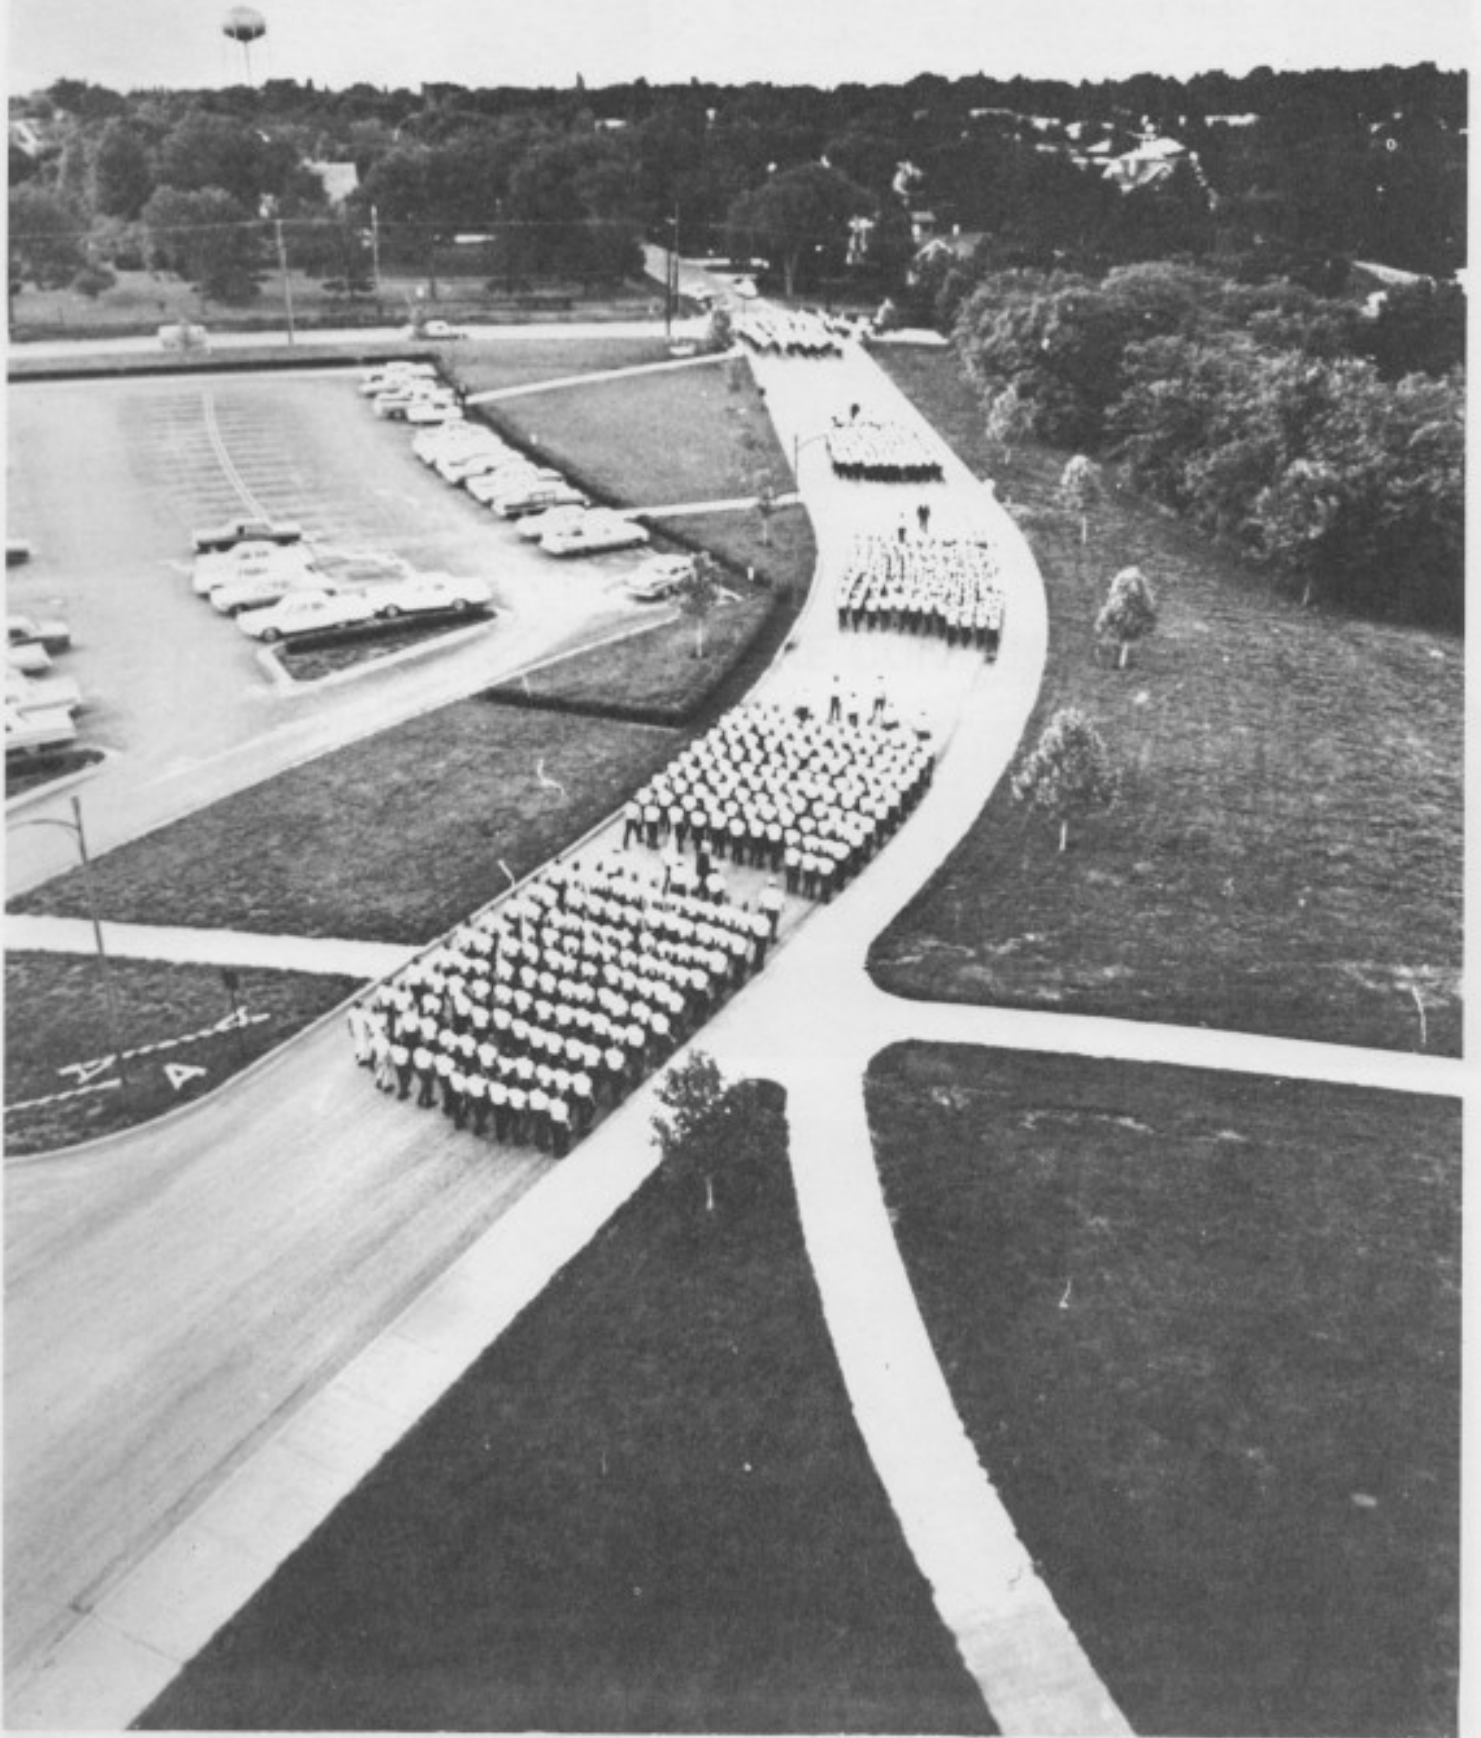

BAND AND CHORUS

Legislature in session (1) and Governor Wohlford and 1965 Governor Peterson discussing legislative procedure.

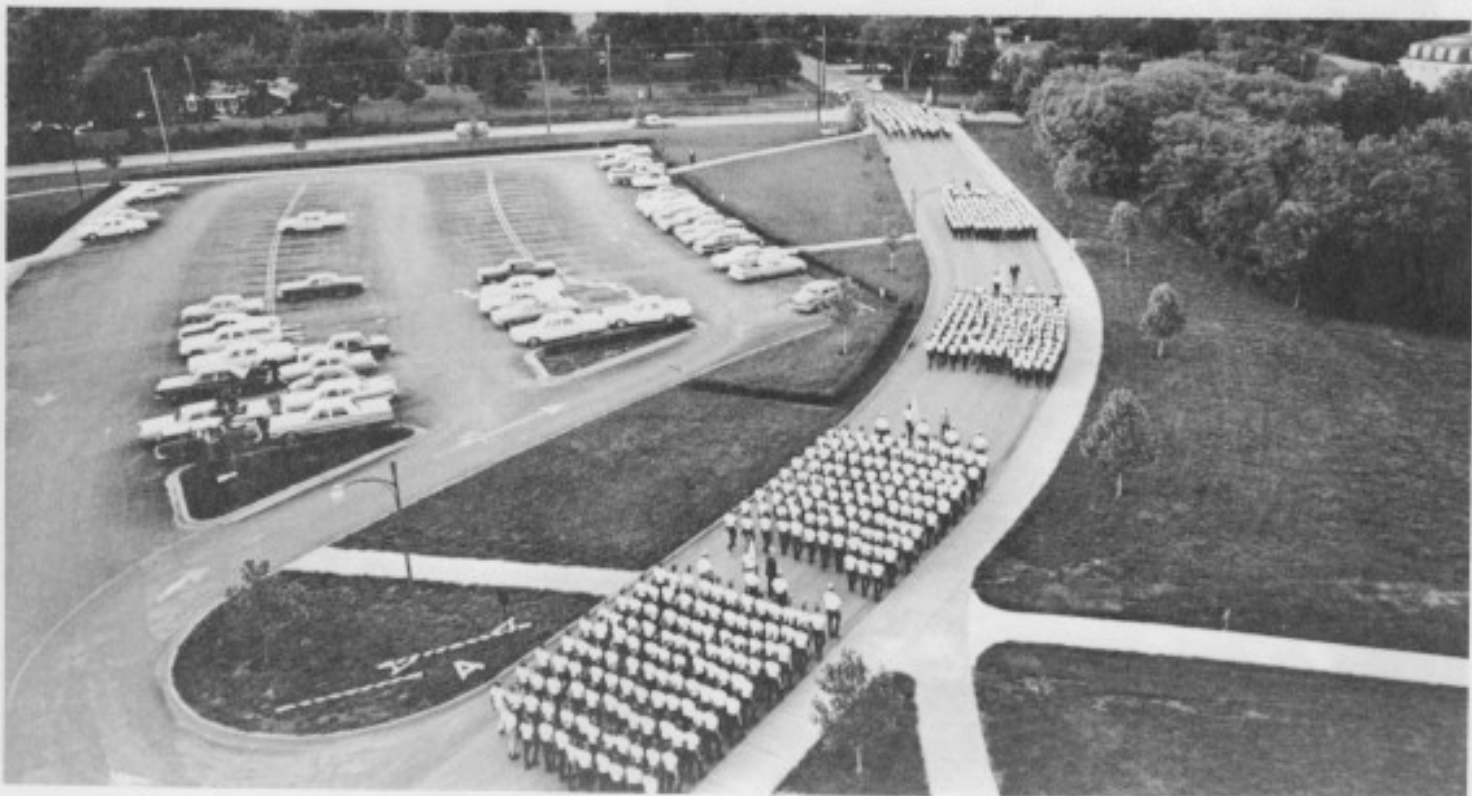

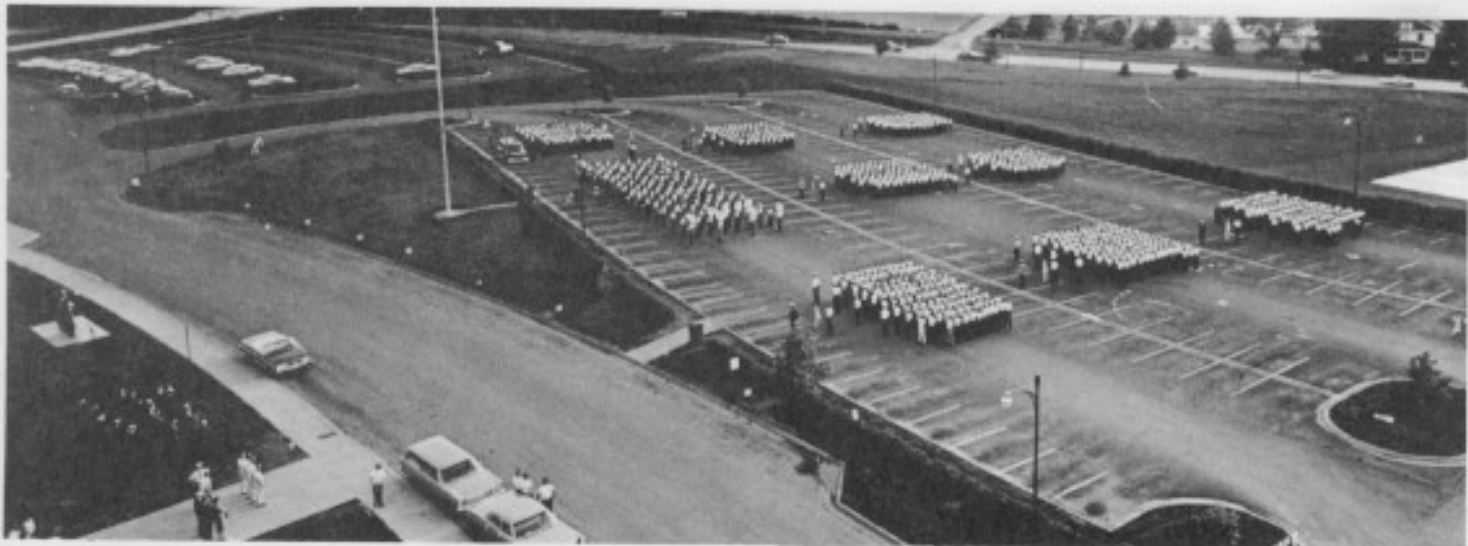

Our own Boys' State band piped us down the hill to "Hello, Dolly," and we were entertained by the Boys State chorus. Both were directed by KU staffers: Kenneth Bloomquist (band) and James Ralston (chorus).

RETREAT

With a growing esprit de corps, "eyes right!" at the reviewing stand, we proudly marched our way each evening to city and county awards.

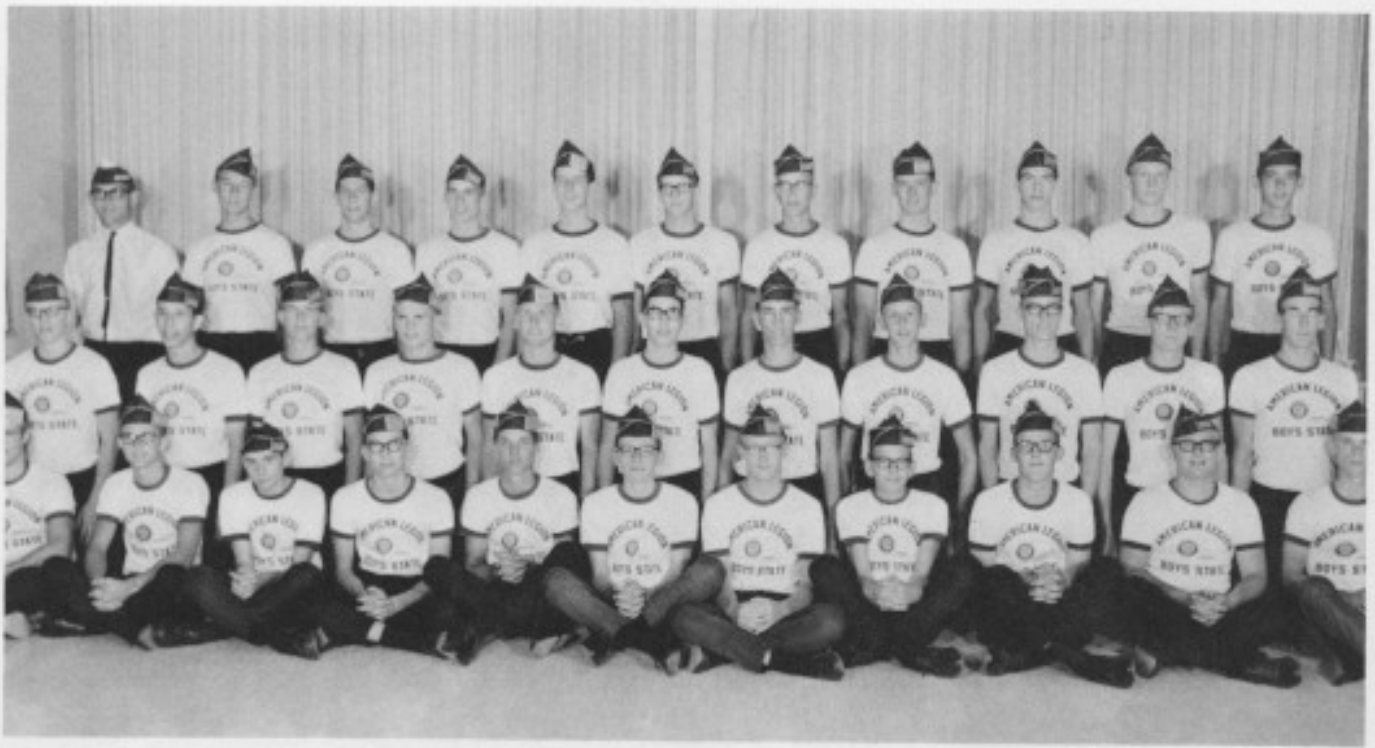

MANHATTAN POPS AND TALENT SHOW

Is there a Stater among us who will ever forget the Manhattan Pops Choir? Our hands ached from applauding their performance preceding the inauguration of our 1966 governor. But the following night's assembly was all ours—as with guitar and voice and comedy routines, we gave our own Talent Show.
