BOYS' STATE '68

Director's Message

The flag was lowered and the final assembly was held for the closing of the 1968 American Legion Boys' State program at about 11:45 a.m. June 8, 1968. Immediately the return to homes in each of the 105 counties was begun and by 1:00 p.m. all of the 1,170 delegates, 89 counselors, and 37 advisors were making their ways toward their homes or their following engagements. Again this year there was an increase in enrollment and we may again dedicate this annual to the largest Boys' State ever to be held in the state of Kansas. On behalf of the American Legionnaires who participated we sincerely hope that each of you who was a delegate and those of you who served as counselors might have a better understanding of our city, county, and state government and share with your peers the knowledge that you gained while participating in this learning-by-doing program.

Each year as we attract an increased number of Legionnaires to participate in this program, they giving a week of their time and lending their abilities to making each session a more successful operation of the Boys' State program, I as Director, and on behalf of the Board of the Boys' State Corporation, wish to express our sincere appreciation to them for making this a most successful session. To the Counselors who served so well we also express our appreciation and hope that in future years we might have more cooperation and participation so that we might continually improve the program.

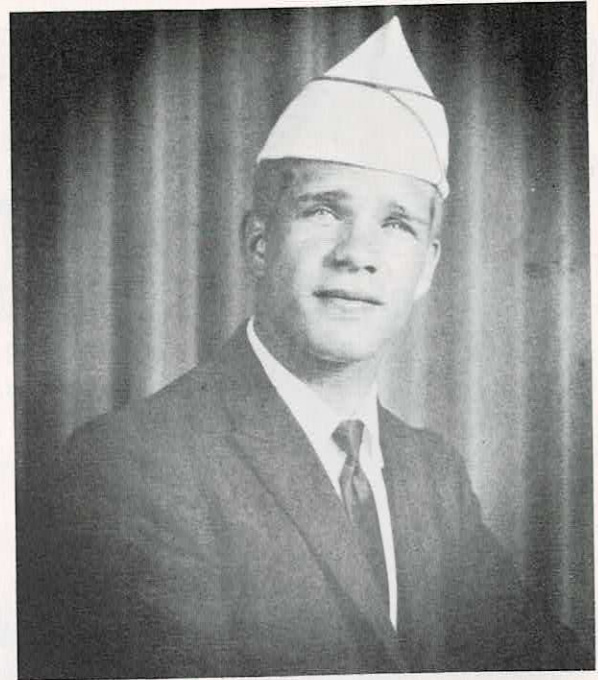

Sincerely,

Gib Mantey
Executive Director

Governor's Message

I would like to take this opportunity to congratulate the American Legion for the tremendous job they are doing on the Boys' State Program. I strongly feel the Legion's government-in-action program is a tremendous success. It not only educates Staters on matters concerning governmental procedures and operations, but it also allows youth to learn through the experience of actually running the government. I have profitted enormously through this fine program, as have all Boy Staters.

I would also like to express my sincere gratitude to everyone who helped make this Boys' State a great personal success. However, I do not intend to let success 'go to my head'. I pledge myself to do my best in representing the American Legion and the American Legion Boys' State of Kansas.

Sincerely yours,

Ricky Kellenberger
Governor

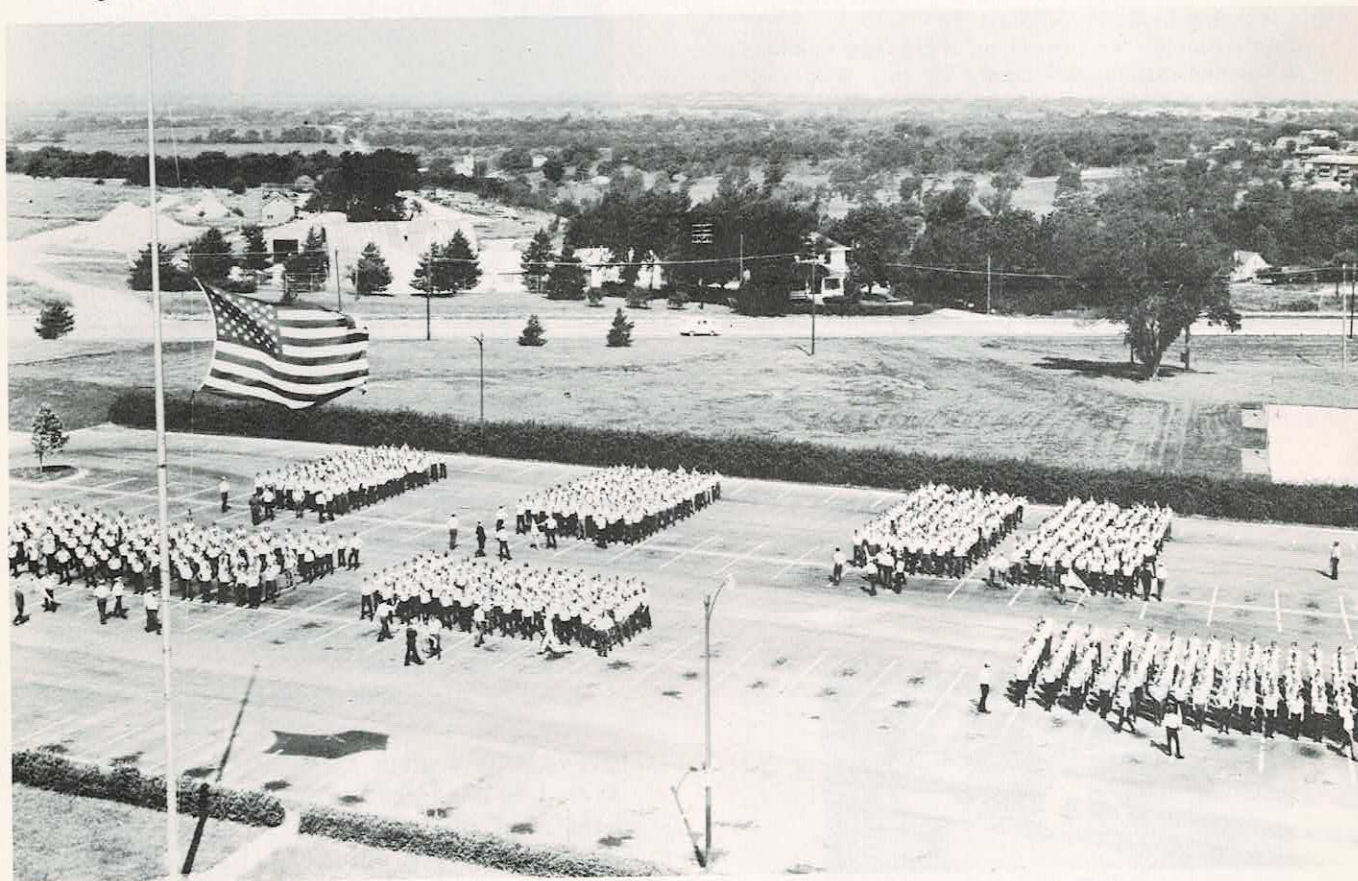

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (Department meaning 'state' in the American Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government-in-action training program. Within these past 30 years, virtually every state American Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved Boys' State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall, and in 1968 a portion of Ellsworth Hall was used.

The program is no longer limited numerically by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as American Legion posts sponsor delegates.

Over 17,000 Kansas boys--the 1170 delegates this year bringing the total to 17,702 have participated in Boys' State, performing during each session every function of government, on city, county and state levels.

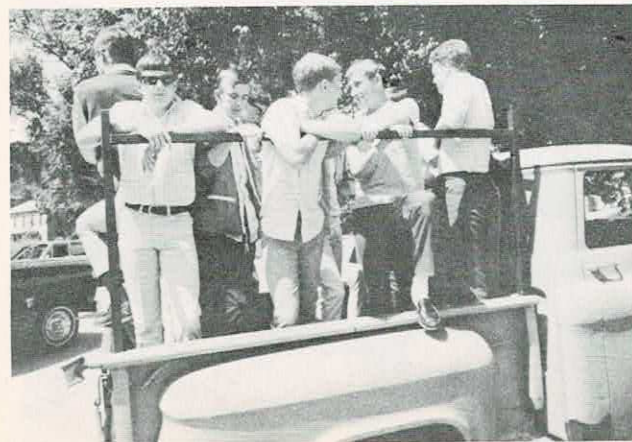

Selected former Staters--100 of them--return as counselors to Boys' State, and are assisted in its direction by 50 Legionnaire advisors and Executive Director, Gib Mantey.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys Nation, which convenes later in the summer in Washington, D.C. Kansas delegates to 1968 Boys Nation are Barry Hollie, Lt. Governor and Ron Durlinger, Federalist Governor nominee.

GETTING SETTLED...

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

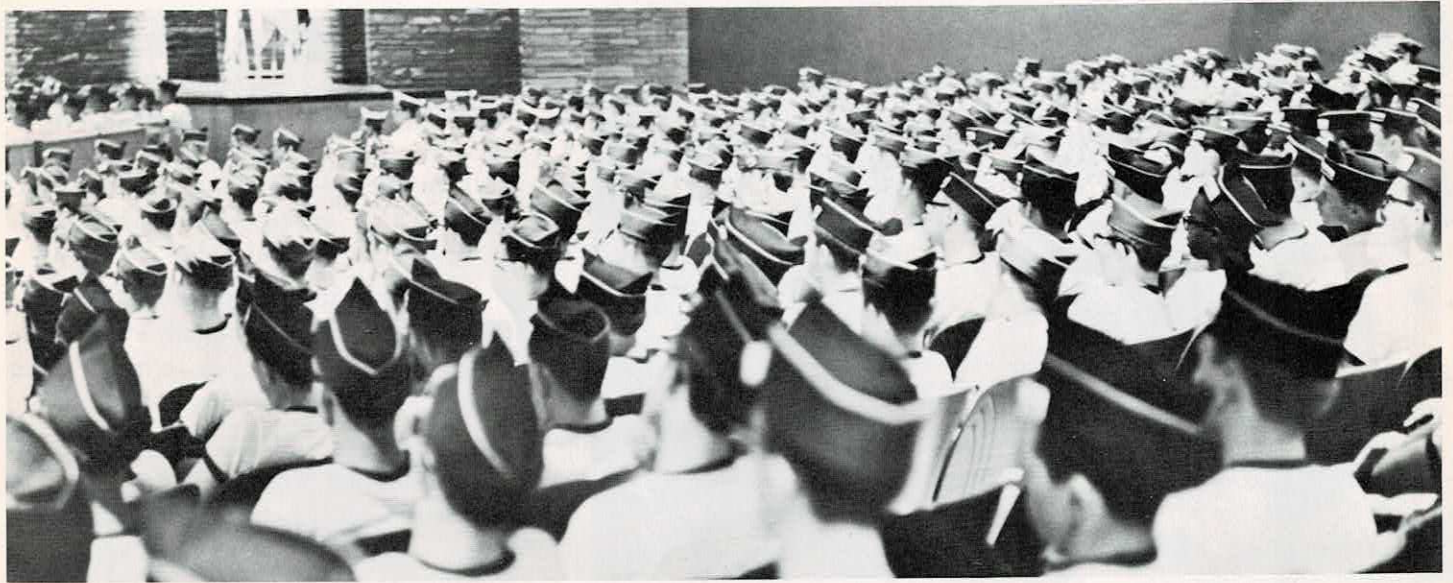

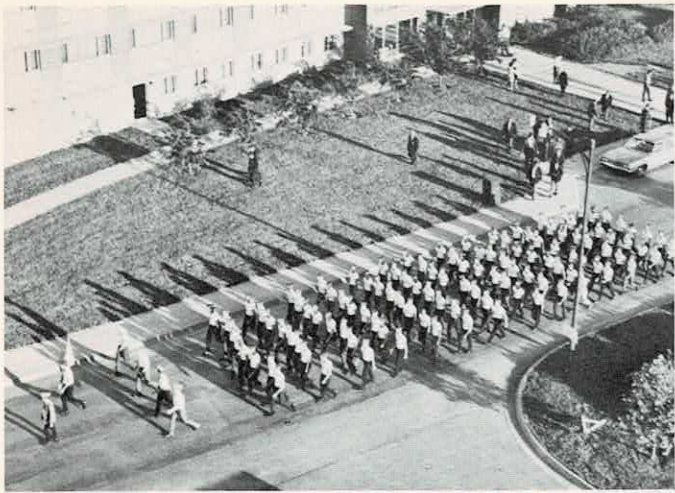

OPENING SESSION

Retreat, passing in review, assembly. Legionnaires, visitors and staff helpers. All a part of Boys' State. A special visitor Miss Kansas, Kandee Klein and Kansas Dept. Commander of the American Legion, Al Grauerholz.

CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m. Tuesday.

We splashed out names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

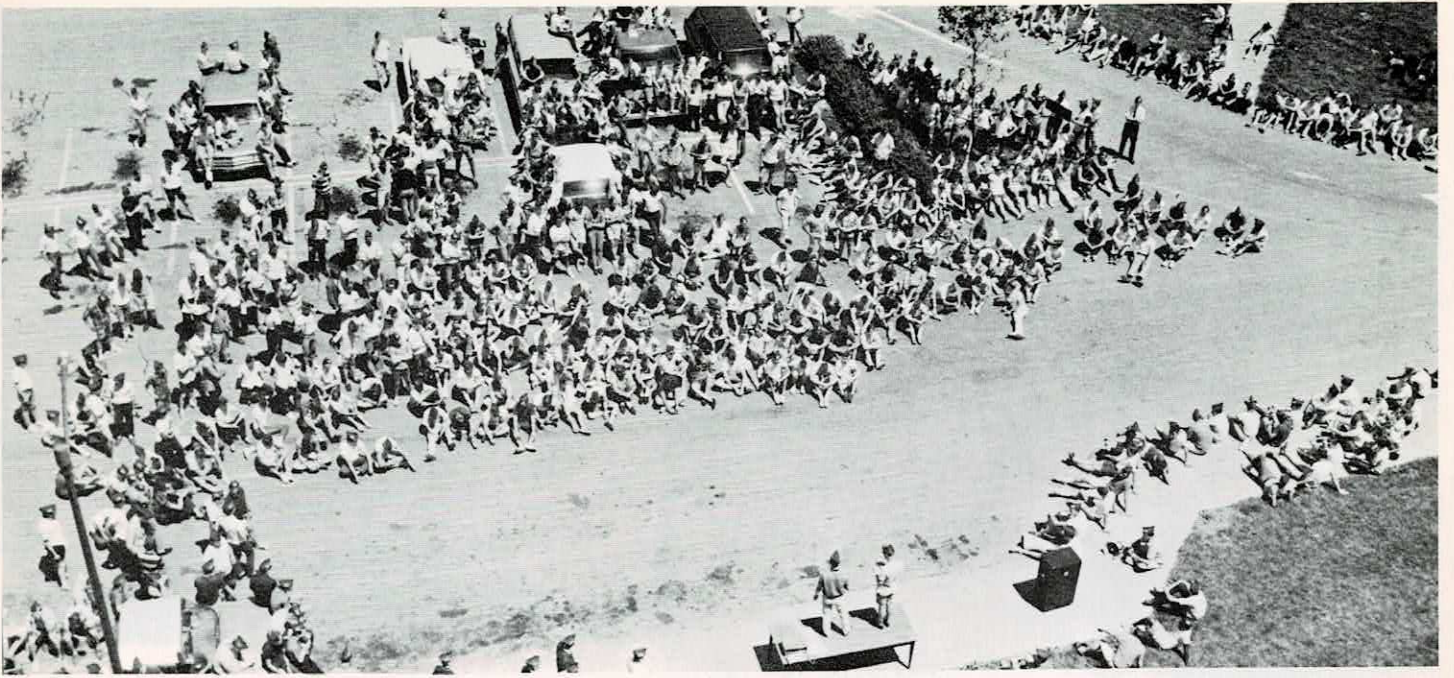

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

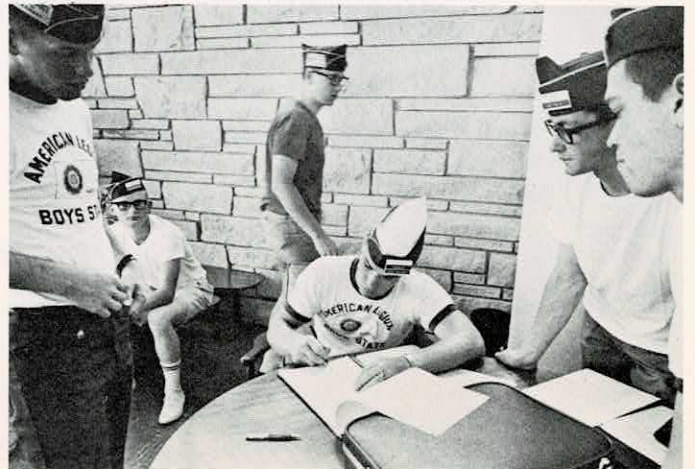

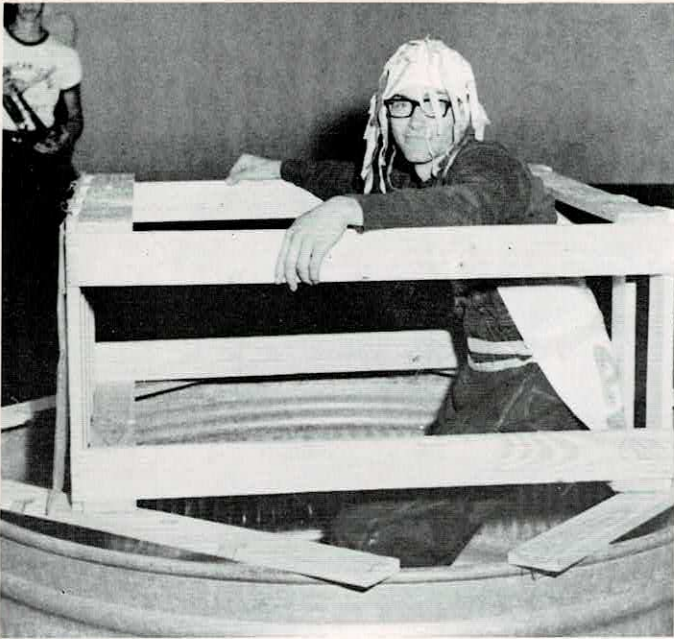

Perhaps most important, we learned that only one can win, but many must lose. And we who lost, proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard...vowing victory for our candidates, our declared platform goals.

Roaring "two-bits, four-bits, six-bits, a dollar" until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.

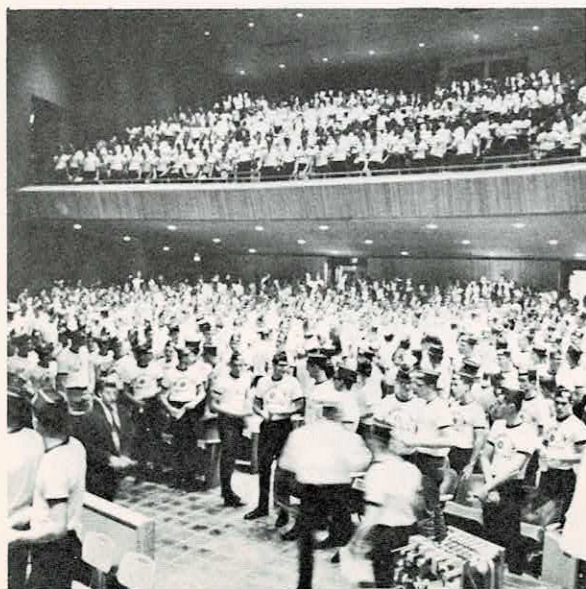

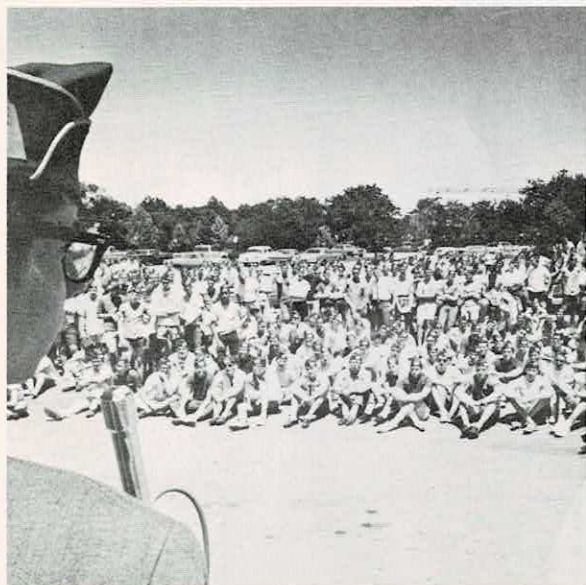

And

MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned for their party candidates. Each party chairman organized a vigorous campaign to win votes for their party.

YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then, with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Gib Mantey, Executive Director of Boys' State and Dino Spigarelli, Associate Director, escorted the new Governor, Ricky Kellenberger, to the platform (upper right).

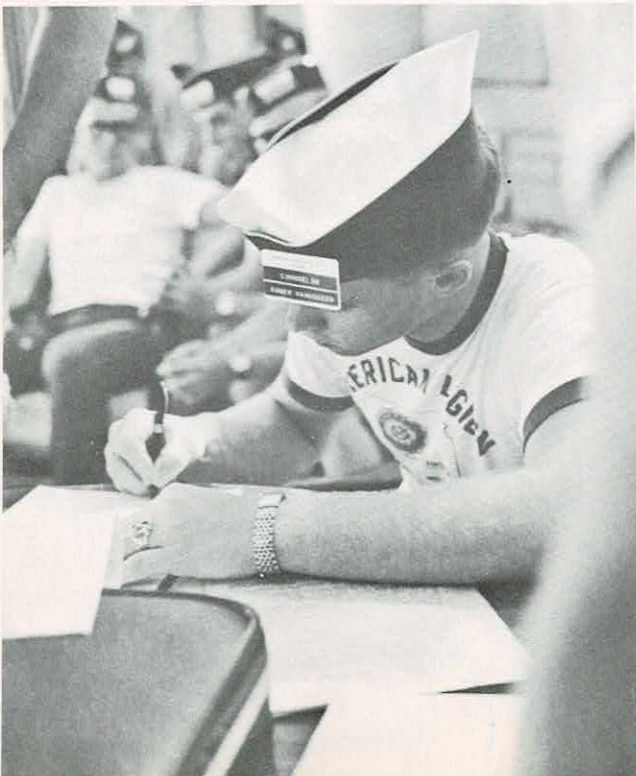

....AND THE RESULTS

BAND and CHORUS

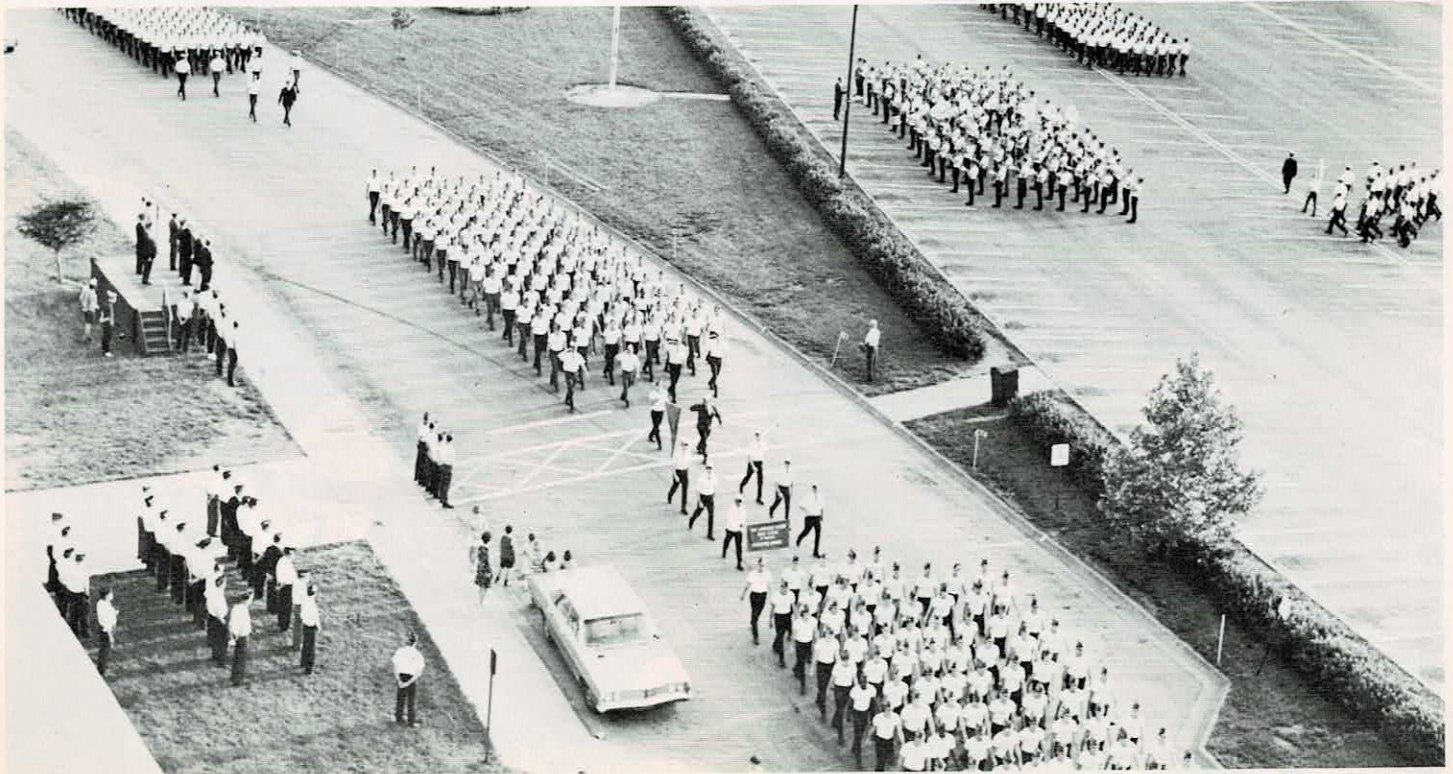

Our own Boys' State band piped us down the hill to "The Boys' State March", and we were entertained by the Boys' State chorus. Both were directed by KU staffers: Kenneth Bloomquist (band) and Daryl Beene (chorus).

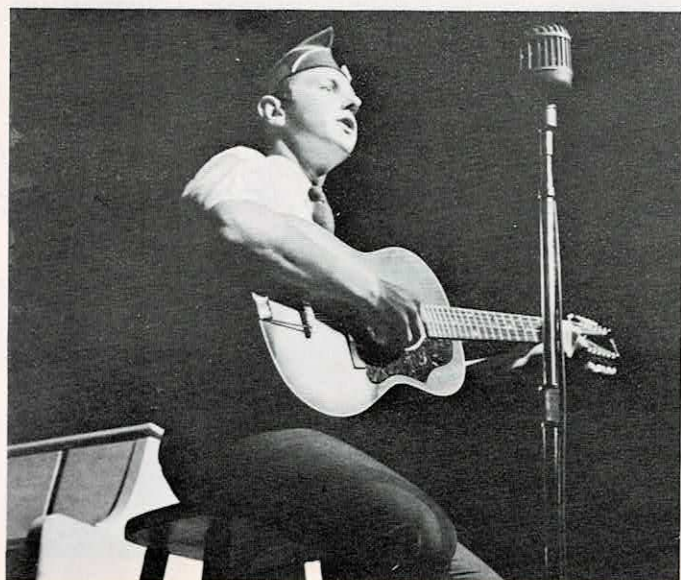

RETREAT With a growing esprit de corps "eyes right" at the reviewing stand, we proudly marched our way each evening to city and county awards.

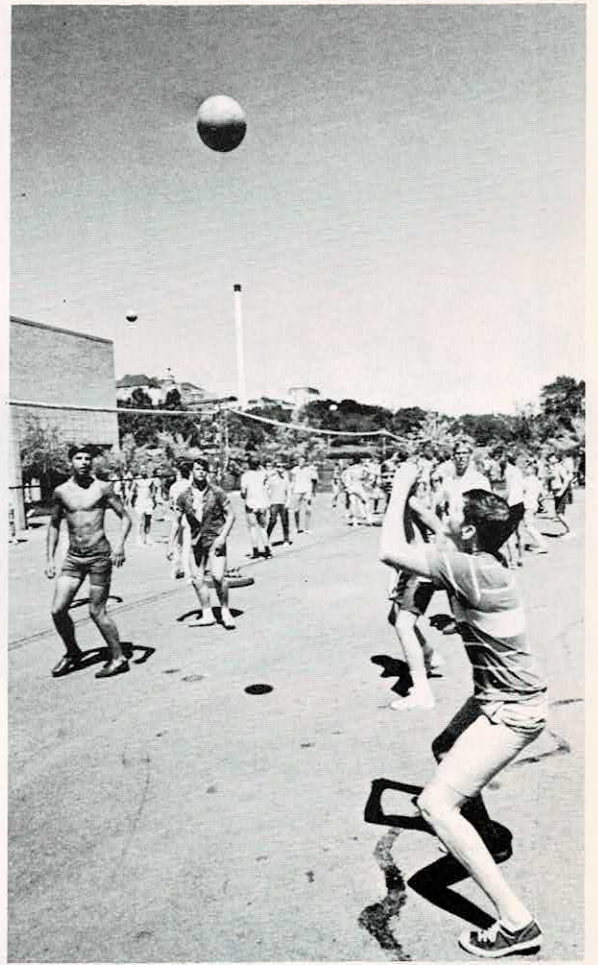

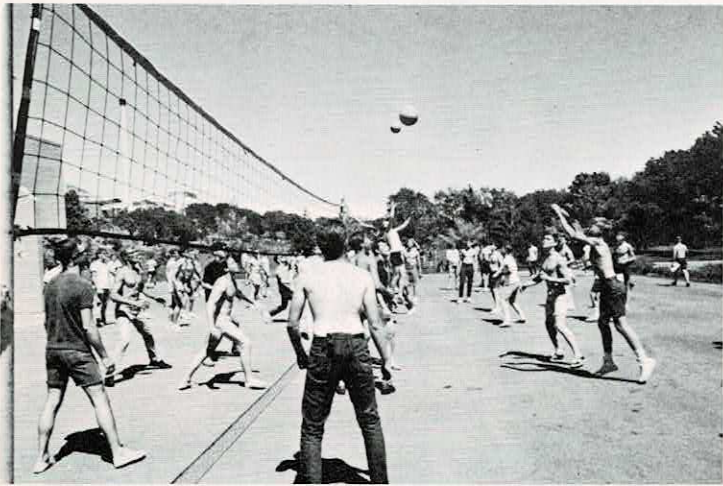

TALENT SHOW

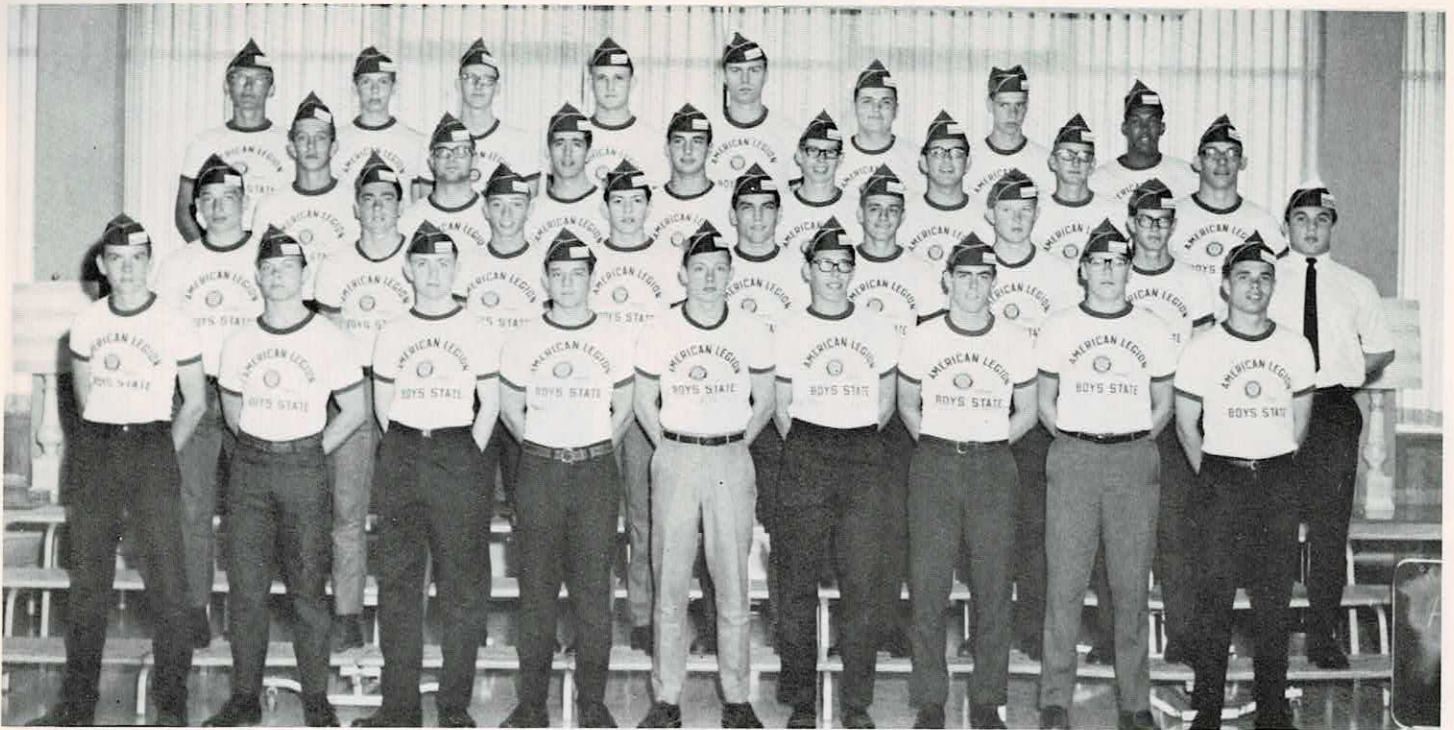

Is there a Stater among us who will ever forget the Manhattan Pops Choir? Our hands ached from applauding their performance.

The preceding night's assembly was all ours--as with guitar, voice and comedy routines, we gave our own Talent Show.
