Director's Message

Warmest congratulations to all the 1971 staters. We hope you will look back to this week's experiences and someday say THIS IS THE PROMISED LAND!

Again my thanks to the Advisors, the members of the American Legion and the members of the Lawrence American Legion Post No. 14.

My best wishes to all our Counselors for a successful future. They, as I have stated before, are the "backbone" of our program.

As your Director, my sincere best wishes go to you wonderful people.

Dino J. Spigarelli

Governor's Message

The 1971 American Legion Boys' State of Kansas session has come to an end. I'm sure everyone that attended this session, whether holding office or not, obtained something or plenty of learning experience in American Government. It is a great honor to be delegated to this great youth organization which is showing the public that most of our youth are not the irresponsible individuals they are made out to be. Not many achieve this honor but the ones that will and do achieve it, I sincerely hope that they will strive forth to always make it the best Boys' State ever. In this organization, the youths' expressions and actions are presented about the way they feel toward today's society and how they can make it better. It's main purpose is to prepare the youth of this nation for the future and not to prepare the future for the youth. By having unity here, we can all expect a better future.

Joe Gutierrez

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (Department meaning 'state' in the American Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government-in-action training program. Within these past 30 years, virtually every state American Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved Boys' State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall, and in 1968 a portion of Ellsworth Hall was used.

The program is no longer limited by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as American Legion posts sponsor delegates.

Over 21,000 Kansas boys — the 1051 delegates this year bringing the total to 21,058 — have participated in Boys' State, performing during each session every function of government, in city, county and state levels.

Selected former staters — 100 of them — return as counselors to Boys' State, and are assisted in its direction by 50 Legionaire advisors and Executive Director, Dino Spigarelli.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys' Nation, which convenes later in the summer in Washington, D.C.

WELCOME - - - - - to BOYS' STATE

Staters arriving by bus, train and car. Legionnaires met buses and trains Saturday and Sunday and delivered the boys to Lewis Hall for registration.

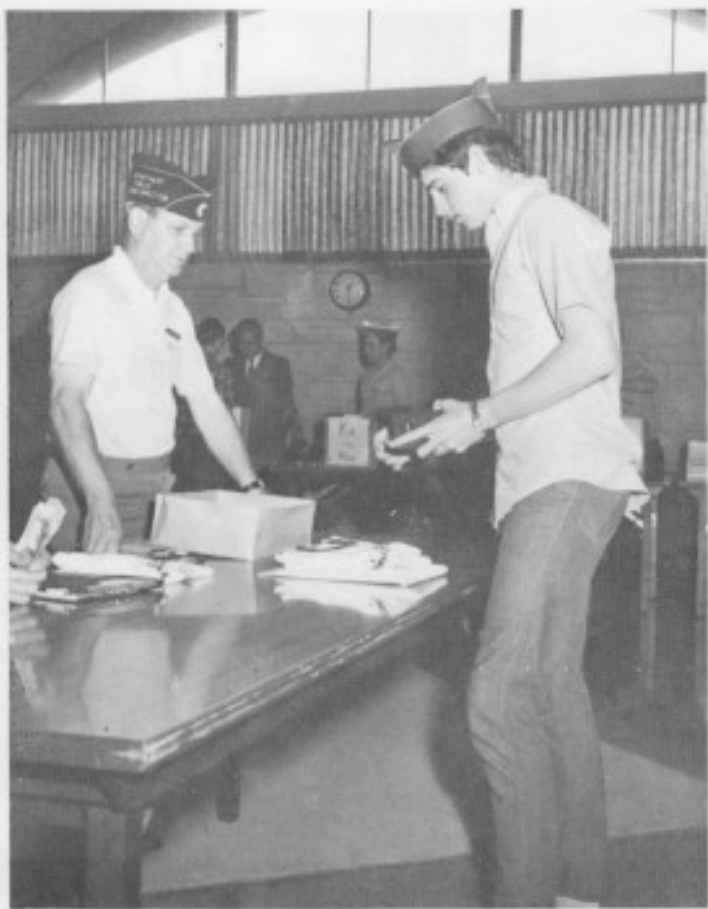

GETTING SETTLED...

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

OPENING SESSION

Retreat, passing in review, assembly. Legionnaires, visitors and staff helpers. All a part of Boys' State.

CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m. Tuesday.

We splashed out names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

Perhaps most important, we learned that only one can win, but many must lose. And we who lost, proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard...vowing victory for our candidates, our declared platform goals.

Roaring "two-bits, four-bits, six-bits, a dollar" until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.

And MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned for their party candidates. Each party chairman organized a vigorous campaign to win votes for their party.

PRIMARY RESULTS

Today the delegates to the American Legion Boys' State of Kansas selected party nominees for major state offices in a primary election at their annual government-in-action training program on the campus of the University of Kansas. Chosen by the Nationalist Party to head their list of candidates as governor was John Shireman while the Federalist picked Jose "Joe" Gutierrez as their nominee for governor of Boys' State.

Voting in the primary culminated a tough battle for over 100 Staters competing for 18 positions on Wednesday's general election ballot. Other state candidates include the following:

Lt. Governor:

F. — Frank Lewis

N. — Rick Hird

Attorney General:

F. — Deane Shepard

N. — Ken Chick

Secretary of State:

F. — John E. Bolan

N. — Phil Vogt

State Treasurer:

F. — Mike Short

N. — Gregory James

State Auditor:

F. — Brian Johnson

N. — Mark Watson

Commissioner of Insurance:

F. — John Kingsley

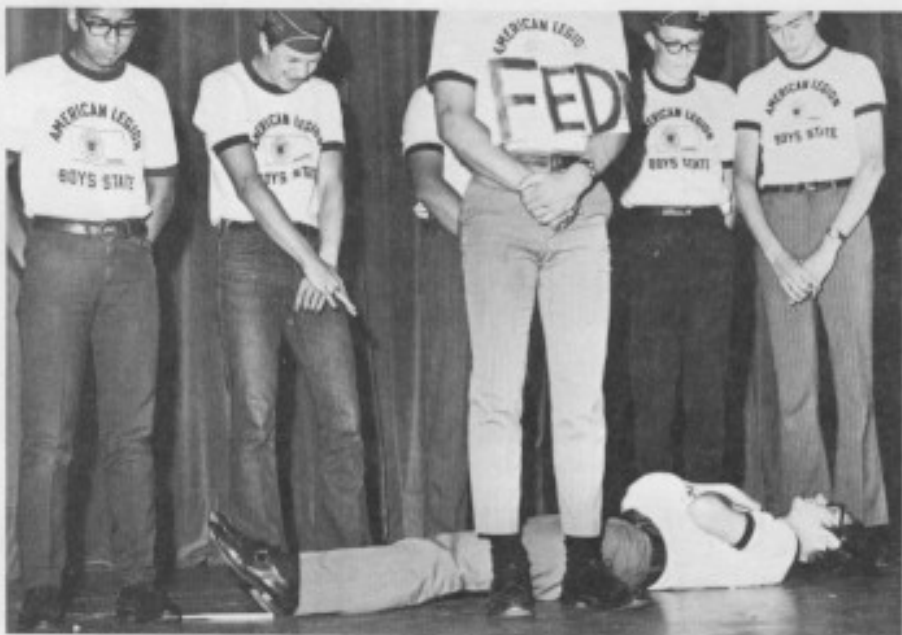

N. — Steve Parker

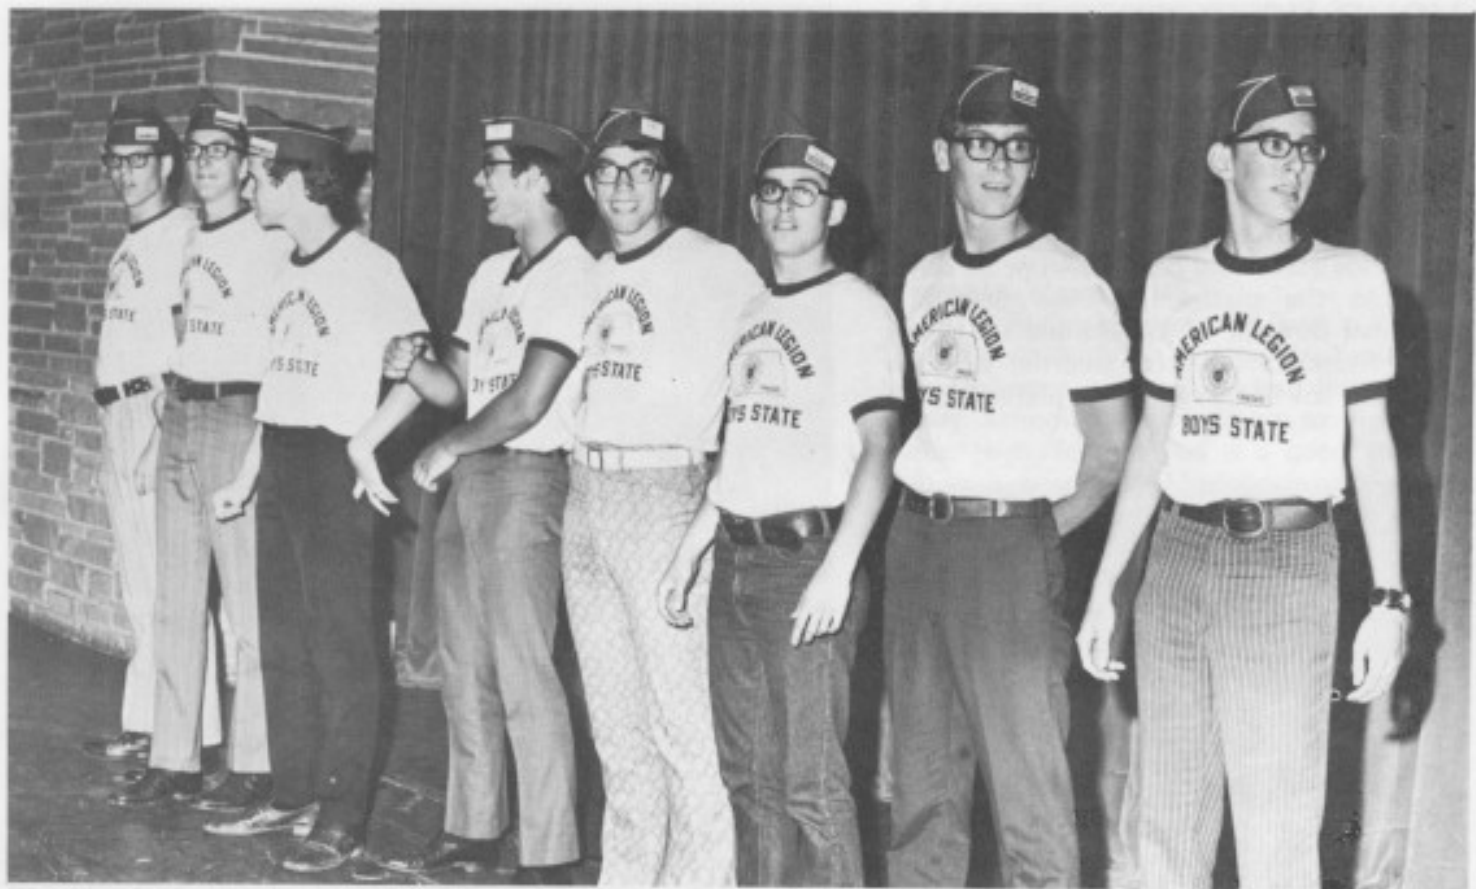

State Printer:

F. — Craig Newman

N. — Jeff Cochran

The results were announced during the evening assembly. After the announcement the parties joined in support of their respective candidates in 20-minute rallies. The hall rocked with cheers and slogans as the parties competed to show their superiority.

"Federalist and Nationalist Candidates"

YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Dino Spigarelli, Executive Director of Boys' State and Grant Lane, Associate Director, escorted the new Governor, Joe Gutierrez, to the platform.

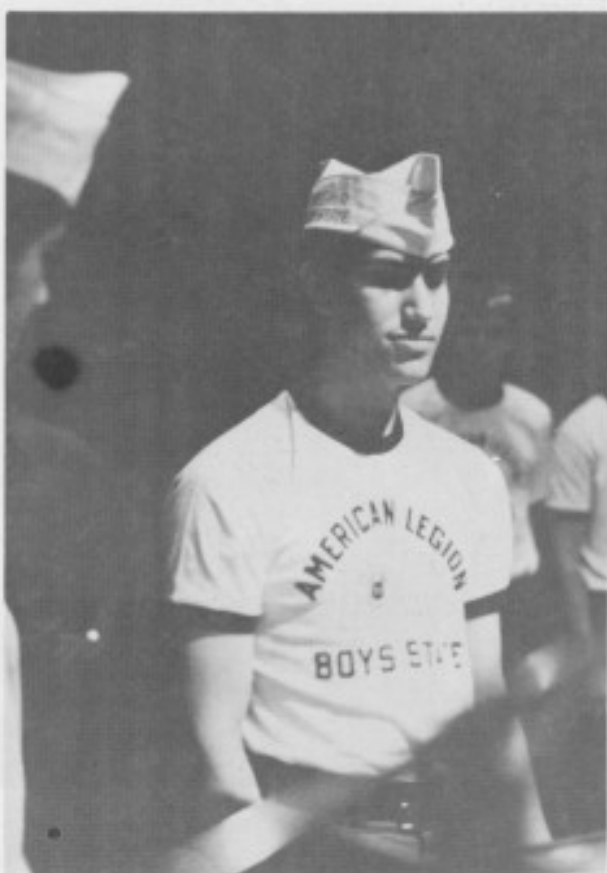

....AND THE RESULTS

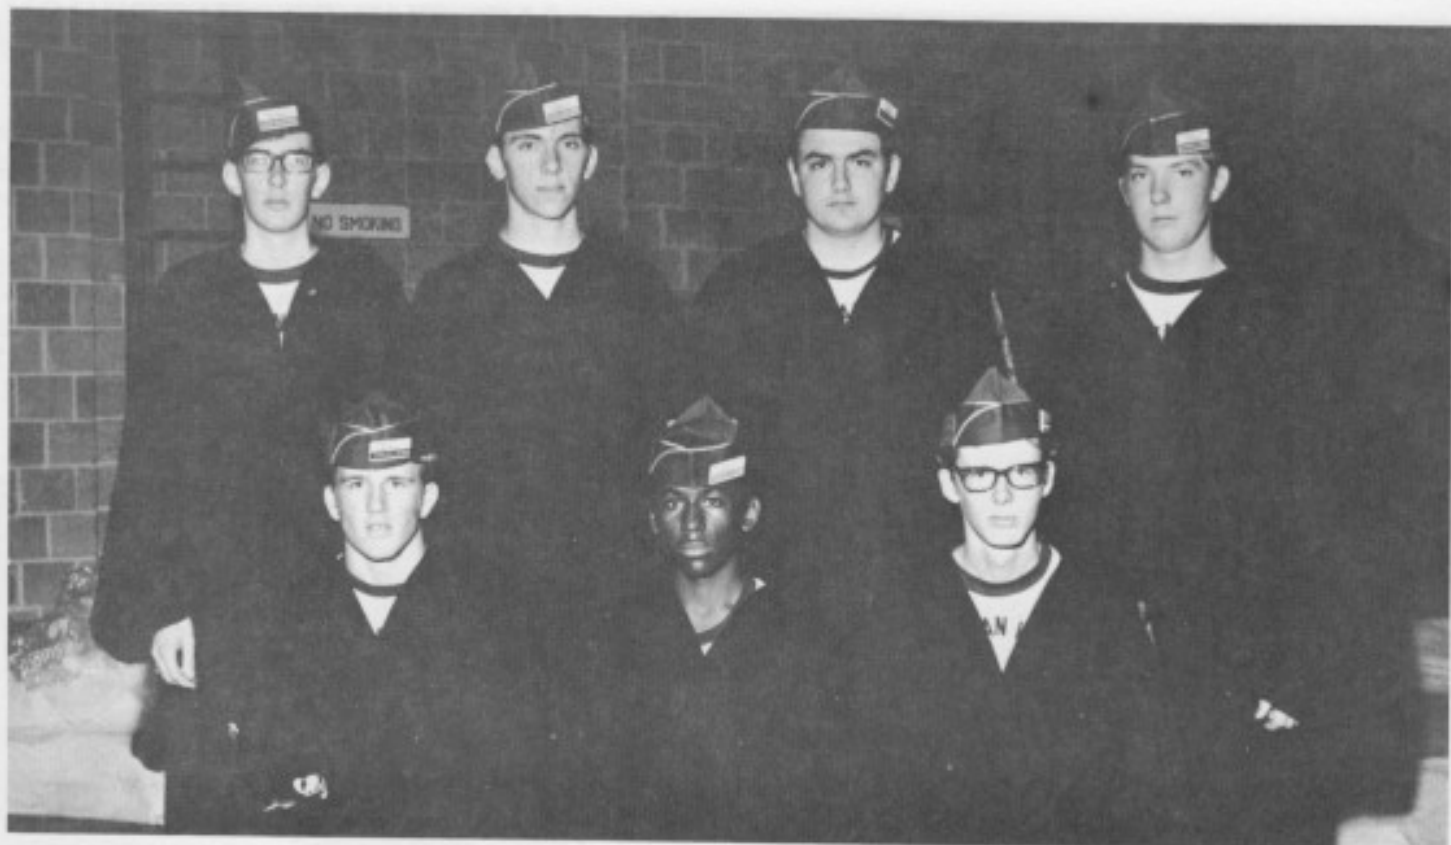

This afternoon the delegates to the 34th annual American Legion Boys' State of Kansas elected Joe Gutierrez as governor of the government-in-action program being held on the University of Kansas campus. The long awaited announcement came at the evening assembly in Murphy Hall.

The Federalist governor lives in Kansas City, Kansas with his parents Mr. and Mrs. Jesus Gutierrez. Last fall Joe transferred from Kansas School for the Blind to Rosedale Public High School. Joe is a good student with an A average. He likes sports and follows them closely. He was a varsity wrestler. Last year Joe was voted "Mr. Mobility" in his school. This next year while finishing high school, Joe will also be taking five hours of study at Kansas City Community Junior College. Joe would like to study Law at either Kansas University or Washburn.

Other state officials elected today were the following:

LT. GOVERNOR	Rick Hird
ATT. GENERAL	Ken Chick
SEC. OF STATE	Phil Vogt
STATE AUDITOR	Brian Johnson
STATE TREASURER	Mike Short
COM. OF INSURANCE	John Kingsley
STATE PRINTER	Jeff Cochran

CHORUS

GOVERNMENT OFFICIALS' DAY

All the Boys' State Elected officials are visited by their counterparts from the State Capitol in Topeka making it a very special day for Boys' State.

YOUR LEGISLATURE CONVENES

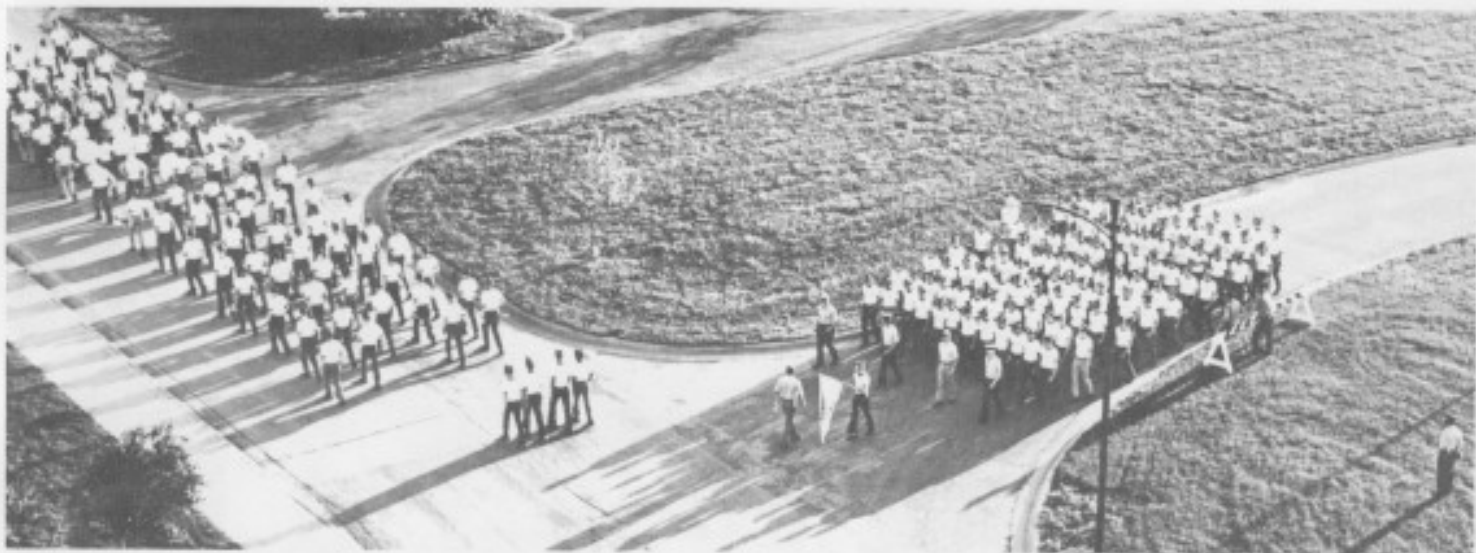

BAND and CHORUS

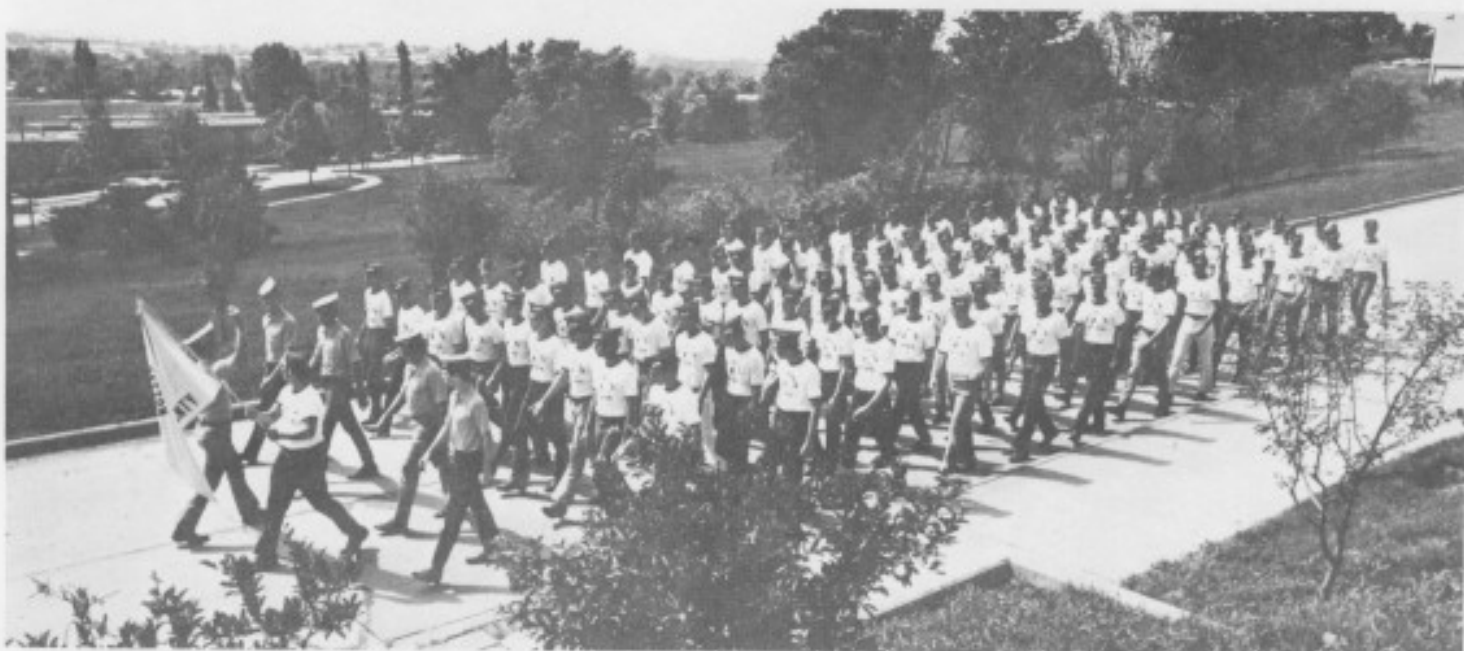

Our own Boys' State band piped us down the hill to "The Boys' State March", and we were entertained by the Boys' State chorus.

RETREAT With a growing esprit de corps "eyes right" at the reviewing stand, we proudly marched our way each evening to city and county awards.

TALENT SHOW

Is there a Stater among us who will ever forget the Manhattan Pops Choir? Our hands ached from applauding their performance.

The following night's assembly was all ours — as with guitar, voice and comedy routines, we gave our own Talent Show.
