

The American Legion BOYS' STATE of Kansas

1988 Session

May 29 - June 4, 1988

A Message from the Executive Director

The Fiftieth Session of The American Legion Boys' State of Kansas is now history. Success has become synonymous with Boys' State in Kansas and this year was no exception.

Through the concerted efforts of our staff, the Advisors and of course the Counselors, the young men of Kansas were once again instilled with the spirit of Americanism. The young men of Kansas have received a hands-on appreciation of our Democracy.

As always, none of this could have been accomplished without the support of our sponsors, who, through local Legion Posts have done their part in continuing this premiere program of the American Legion Department of Kansas. Everyone associated with Boys' State thanks you for your fine work.

All of Boys' State would be meaningless if it weren't for the fine work of the Staters. The young men of Kansas that represented every Legion District, renewed our faith in the youth of our great State. They invigorated us with their energies and impressed us with their principals. We congratulate them and their parents.

Good luck and God Bless.

Sincerely,

Russ Whorley
Executive Director

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of the American Legion Boys' State program which was organized by the Department of Illinois in 1935.

The Department of Kansas, holding charter number 5, was among the first to institute this fine week-long government-in-action program. Now, virtually every state American Legion, realizing the programs potential for educating youth in practical politics and government operation, has set up its own Boys' State. Boys' State operates under the American Legion Department of Kansas and the Board of Directors of Boys' State.

Kansas Boys' State was headquartered in Wichita for 26 years before moving to its current home. In 1963, realizing the need to provide larger and more suitable accommodations, the American Legion moved the program to the University of Kansas campus in Lawrence. The first session was held in Templin and Lewis Halls but expanded to include Hashinger Hall in the second year of operations. A portion of Ellsworth Hall was used for the 1968 session when enrollment peaked at about 1,000 delegates.

No longer is the program limited by its physical facilities. It is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. Civic and Church groups as well as American Legion posts sponsor delegates to this fine "learning-by-doing" youth government program.

Over 41,000 young men from Kansas, 752 delegates this year alone, have participated in Boys' State performing every function of city, county, and state government. Selected former delegates, about 95 of them, return each year to serve as counselors. In addition, 49 legionnaires return to assist the counselors in running the program.

During each session two fortunate staters are chosen to represent Kansas as "Senators" of Boys Nation. The American Legion Boys Nation program convenes in Washington, D.C. in mid-July where they participate in a national government program as well as meeting with the Kansas congressional delegation.

The 51st Session of Boys' State began on Sunday, May 29, 1988. Staters began their day by registering in Templin Hall on the KU campus in Lawrence. The registration process went quickly and efficiently and the Staters were soon on their way with information packets containing their political party, city, county, and room assignments. After the presentation of the rules and elections, the Staters were ready for their first march to Murphy Hall.

The evening assembly at Murphy Hall helped familiarize the Staters with the purpose of Boys' State. Former Secretary of State Jack Brier addressed the Staters on political rhetoric. The themes for the week were "get involved" and "you only get out what you put in." With all this in mind, the Staters marched back to their respective halls for their first city meeting.

The evening was concluded back in the halls. The Staters conducted their first city meeting by electing a mayor, the city council, and appointing other city officials. The Staters were now ready for their Boys' State experience.

MONDAY

Memorial Day was started by honoring our country and flag, but the day quickly got into full-swing when city and county candidates for Governor were elected. Most of the day's events were centered around party caucuses, the placement of campaign materials, and listening to those Staters who were running for offices. The high point of the day came when 1987 Boys' State Governor David Rose swore in all of the newly elected Mayors.

Volleyball was one of the many activities offered to the Staters at Boys' State.

Tuesday morning was spent preparing for and holding the Primary Elections. The Staters spent their afternoon at City Affairs, County meetings, and other activities. The whole day was spent building-up for the evening march to Murphy Hall.

Once at Murphy Hall, the Staters anxiously awaited the Primary results. With the Nationalist and Federalist candidates announced the Party Rallies began. The Federalist took the stage first. After ten minutes of cheering and yelling, the Federalist gave way to the Nationalist Party. The Nationalist Party then "pumped up the Nats" for ten minutes.

The evening's guests were Secretary of State Bill Graves and Attorney General Robert Stephan. They entertained the Staters and added input on running for offices and for setting goals.

FEDERALIST

NATIONALIST

Governor
Lt. Governor
Sec. of State
Att. General
State Treas.
Comm. of Ins.

Kepper Mullett
William Moore
Geoff Hughes

Jeff Nichols
Byron Marshall

Scott Wissman
Matthew All
Andrew Addis
James Ney
Ben Harber
Lou Hayden

The Party Rallies were filled with enthusiasm and both sides made Murphy Hall echo with rally cheers.

Middle Left: Secretary of State Bill Graves
Lower Left: Attorney General Robert Stephan

WEDNESDAY

Wednesday was General Election day. The morning started with a brisk march to Murphy Hall to hear the Primary Election winners debate. Debates were wild and rowdy and questions about funds for platforms, prison overcrowding, helping the economy, and others created quite a dispute between both Parties. The General Elections that day would decide the fate of both Parties.

The afternoon brought about the General Election results and the 1988 Boys' State Governor was Kepper Mullett with William Moore as his running mate.

The evening brought about the inaugural ceremonies and entertainment. The evening concluded with everyone returning to their newly elected or appointed offices.

Middle Right: Governor Mullett swears-in the other officials.
Lower Right: Band and Chorus.

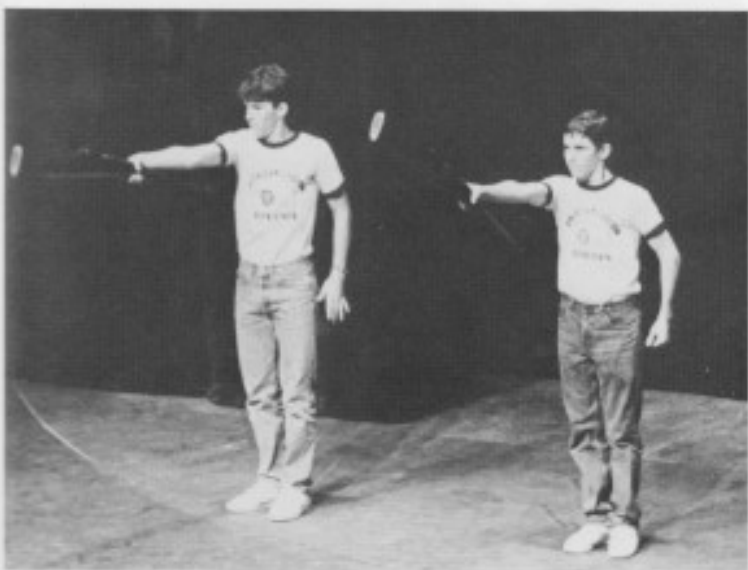

THURSDAY

The Boys' State Supreme Court tour the Kansas Judicial system.

ALWAYS THE MARCH TO MURPHY HALL.

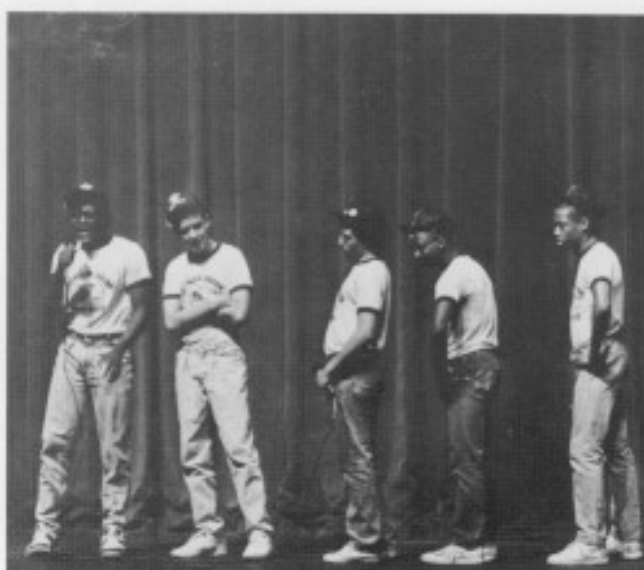

Thursday began with a morning visit by Governor Hayden, but the day was soon underway because all government branches were now in full operation. The Boys' State Supreme Court took a special trip to Topeka to visit their respective branches while the 1988 Governor addressed a joint session of the legislature.

The nine counties of Boys' State each nominated a candidate to go to Boys' Nation in Washington, D. C. Each nominee gave a speech at the evening assembly in Murphy Hall, but the climax of the evening was with the outstanding talent show.

TALENT EXTRAORDINAIRE

FRIDAY

On Friday, all government branches brought the 1988 session of Boys' State to an end. The morning brought about the last two elections: Outstanding Citizen and Boys' Nation representatives. The Outstanding Citizens were chosen by their cities and the Boys' Nation representatives were chosen by the Staters. The two candidates who would represent Kansas at Boys' Nation were Andrew Addis and Cody Jacobs.

Before the Inaugural Celebration, 1987 Sunflower Girls State Governor Patrice Grant gave opening remarks at the retreat in front of Lewis Hall. The Inaugural Celebration consisted of two movies or a dance which were sponsored by Statesmens Club. After a week of campaigns, meetings, and marching, the Staters' had earned a night for fun and relaxation.

For Many, "getting involved" formed many friendships and gave them an experience that would never leave their thoughts.

SATURDAY

The week at Boys' State had now come to an end. With everything clean and in order, the Staters prepared for their last march to Murphy Hall.

Closing ceremonies touched the spirits of patriotism, fraternalism and honor in the hearts of all who attended.

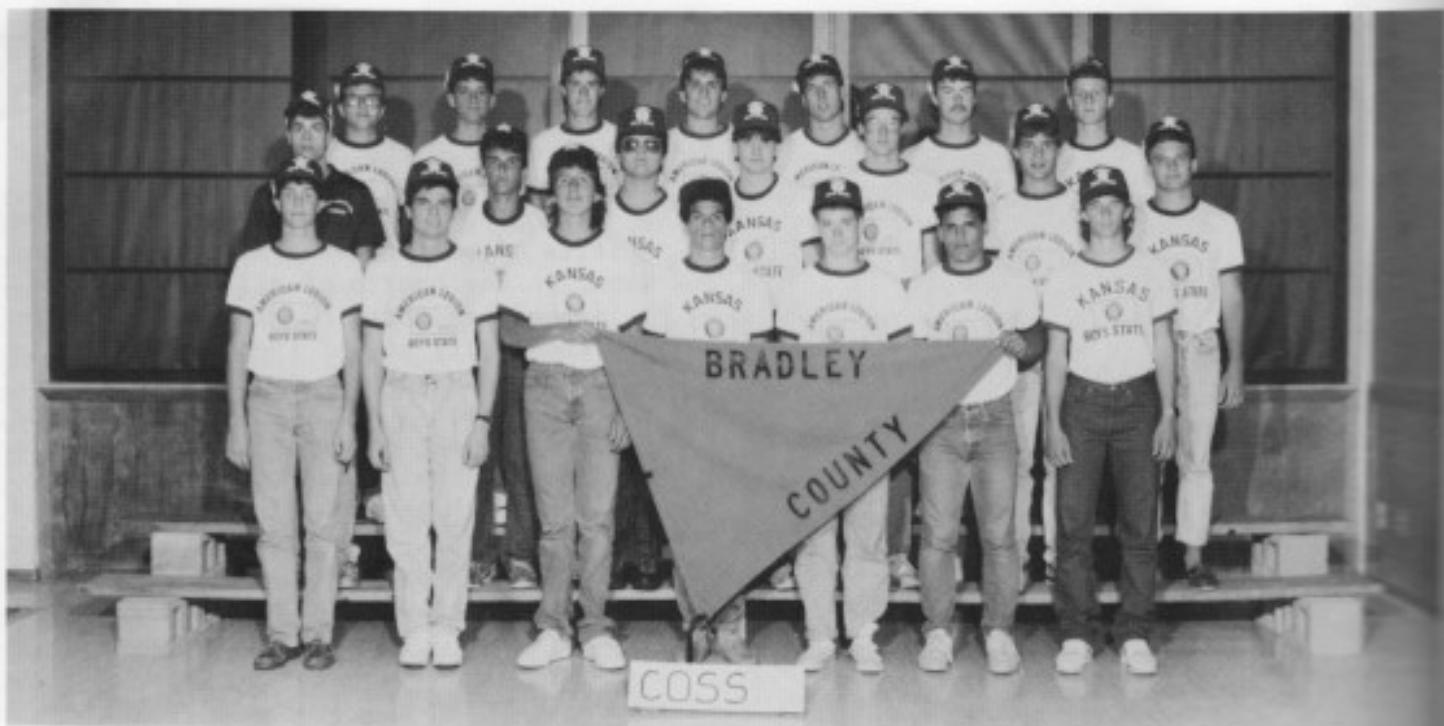

Announcements of the Best Citizen in each city and of the Best City in Boys' State were made.

As soon as the flag-lowering ceremony was completed, the Staters returned to their last county meeting.

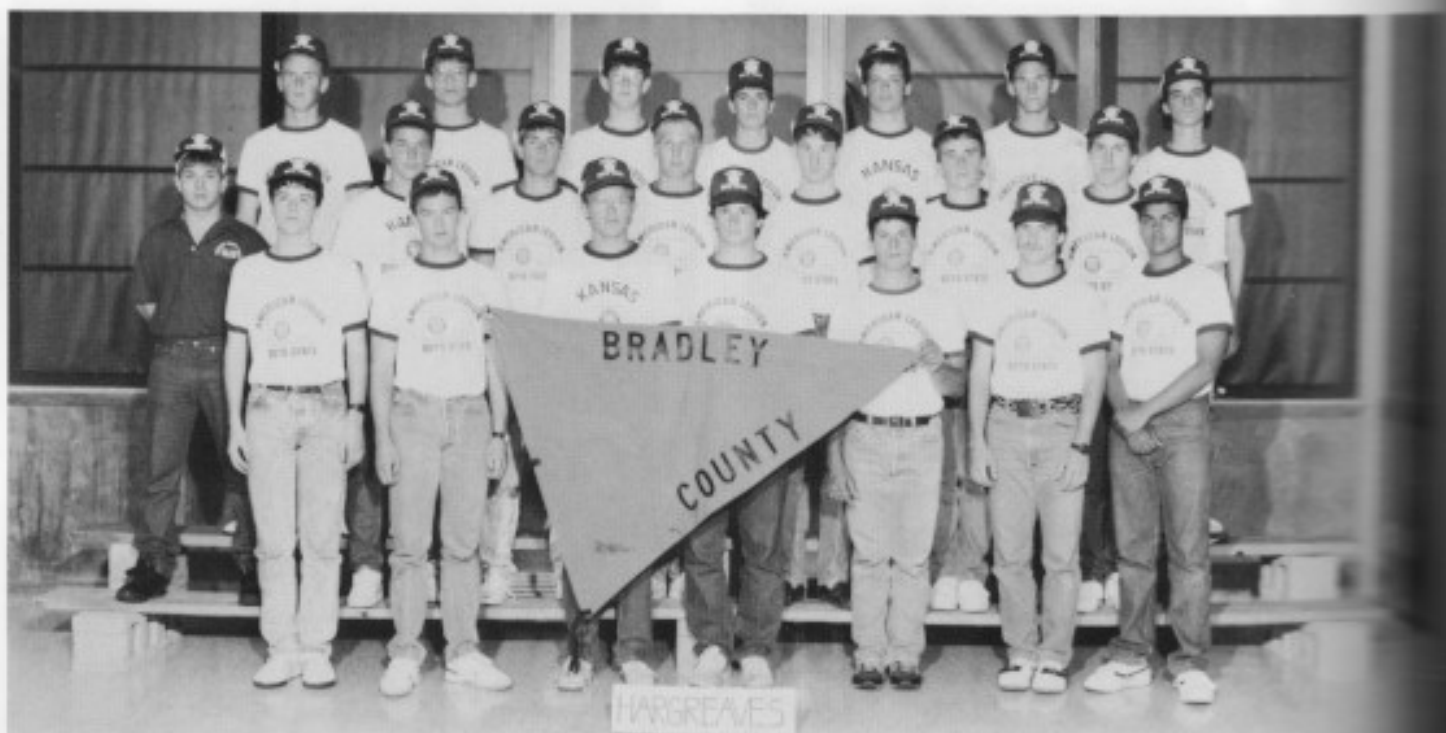

The 50th session of Boys' State had come to an end. The Staters were happy to be returning home, but they would never forget their new friends and memories.

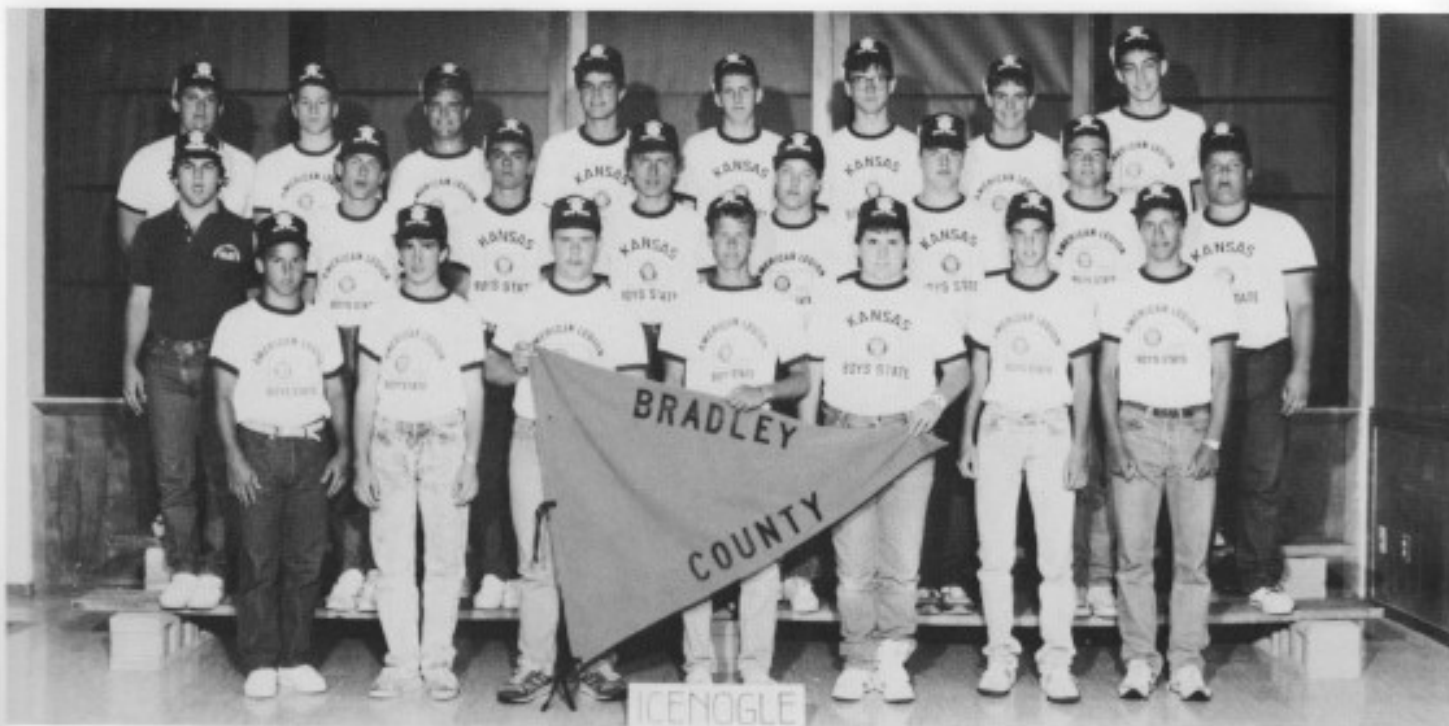

Bradley County

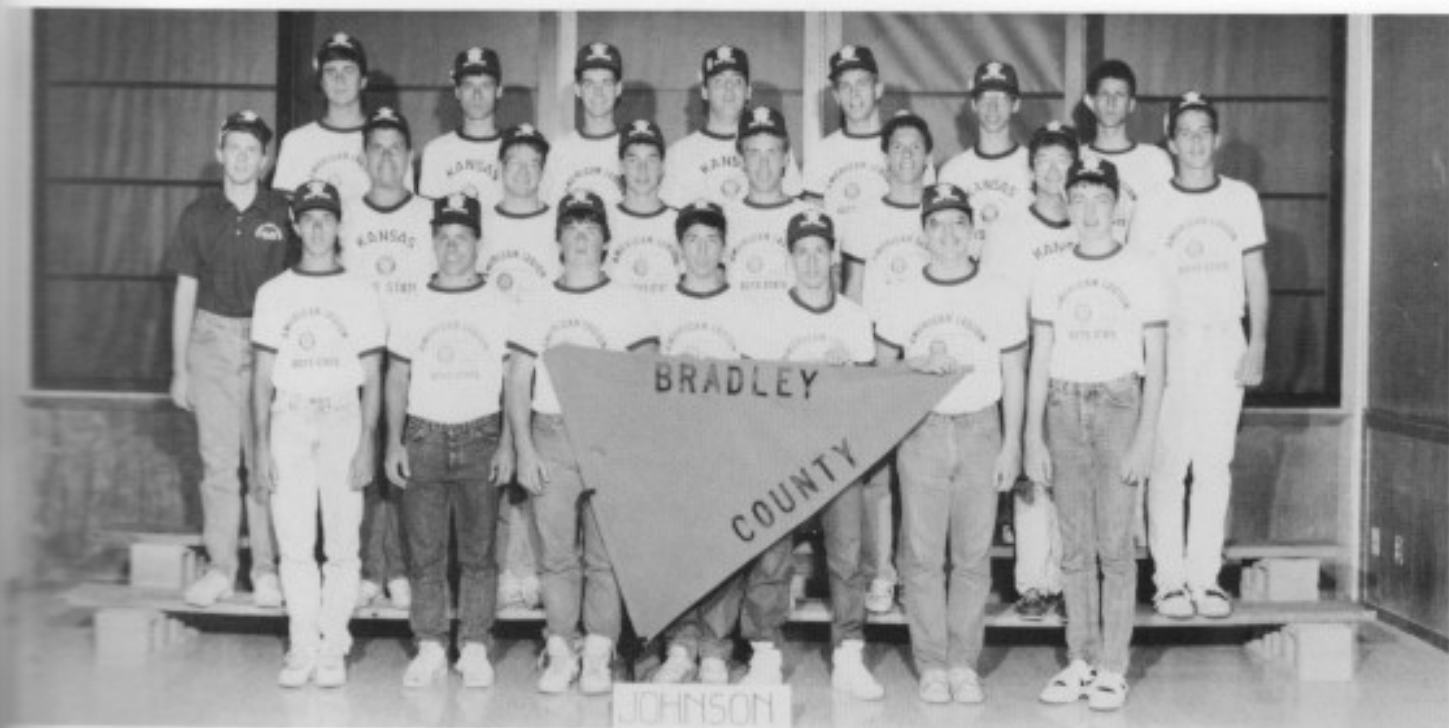

CITY OF COSS: Front Row: Craig Graves, Douglas Brubaker, Johnny Monarez, Tony Garcia, Brad Culley, Jason Finger, Andrew Soukup. Second Row: Carl Albrecht (Counselor), Danny Richards, James Hall, Jeffery Copeland, Mark Schlotterbeck, Clint Rogers, Michael Brack.
