

The American Legion
Boys' State of Kansas

May 25-June 1, 1991
Fifty-fourth Session

A Message from the Executive Director

The Fifty-fourth session of the American Legion Boys' State of Kansas is now history. Success has become synonymous with Boys' State in Kansas, and this year was no exception.

Delegates to this year's session worked diligently to form governing bodies at the city, county, and state level. Many ideas and opinions were expressed on a variety of issues that confront government today. Hands-on knowledge of how to work with others to put ideas into action was gained by most every delegate.

So often, in our day-to-day life, we see government as a 'Big Brother'; something that hinders us. But at Boys' State, the young men of Kansas learn that in a democracy, the government is not some entity that they have no control over. They learn that *they are the government*. They also learn that the only way to keep a government responsive to the people that it serves, is to have involvement from the people.

With this in mind, I hope that the young men who have formed the governments of this session of Boys' State, return home and continue to live the idea expressed by Thomas Jefferson—"...daily democracy requires daily involvement."

Good luck and God bless.

Sincerely,

Richard Weitzel
Executive Director

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of the American Legion Boys' State program which was organized by the Department of Illinois in 1935.

The Department of Kansas, holding charter number five, was among the first to institute this week-long government-in-action program. Now, virtually every state American Legion, realizing the programs potential for educating youth in practical politics and government operation, has set up its own Boys' State. Boys' State operates under the American Legion Department of Kansas and the Boys' State Committee.

Kansas Boys' State was headquartered in Wichita for twenty-six years before moving to its current home in Lawrence. The American Legion moved the program to the University of Kansas campus in 1963. At KU, the first session was held in Templin and Lewis Halls but expanded to include Hashinger Hall in the second year. This past year saw a move to McCollum Hall.

The Boys' State program is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. Civic and church groups as well as American Legion posts sponsor delegates to this fine "learning-by-doing" youth government program.

Over 42,000 young men from Kansas, 692 delegates this year alone, have participated in Boys' State performing every function of city, county, and state government. Approximately 80 former delegates return each year to serve as counselors. In addition, 40 legionnaires return to assist the counselors in running the program.

During each session two staters are chosen to represent Kansas as "senators" of Boys' Nation. The American Legion Boys' Nation program convenes in Washington, D.C. in mid-July where they participate in a national government program.

The fifty-fourth session of Boys' State began on Sunday, May 25, 1991. To begin, staters registered in McCollum Hall. During registration, information packets containing their political party, city, county, and room assignments were distributed. Recall the major storm that moved through Lawrence? After the presentation of the rules and elections, the staters were ready for their first march to Murphy Hall.

The guest speaker for the evening assembly was former Secretary of State Jack Brier who spoke on the need for involvement in government.

The evening was concluded back in the hall. The staters conducted their first city meeting by electing a mayor, the city council, and appointing other city officials. The staters were now ready for their Boys' State experience.

MONDAY

Grant Lane at the Memorial Day Service

Memorial Day began with the states honoring our country and flag. The day quickly got into full-swing when city and county candidates for Governor were elected. The rest of the day centered around party conventions, campaign speeches, and placement of campaign materials. The high point of the day came when 1990 Boys' State Governor Kyle Kimball swore in all the newly elected mayors.

In the morning, the staters prepared for and held the primary elections. The staters spent their afternoon at city affairs, county meetings, and other activities. The big event of the day was yet to come—the party rallies.

Once at Murphy Hall, the staters awaited the primary results. After the results were announced, the Nationalist and Federalist parties began their rallies. Each party took the stage for ten minutes. The rallies gave each candidate a chance to be recognized before the general elections Wednesday.

WEDNESDAY

Wednesday was general election day. The morning began with the staters marching to Murphy Hall to hear the primary election winners debate. Debates were wild and rowdy and there were many questions about party platforms. The general elections that day would decide the fate of both parties.

In the afternoon, the general election results were announced. The 1991 Boys' State Governor and Lt. Governor were Michael "Bull" Bailey and Mark Maginot.

At the evening assembly, former Boys' State Governor, Kyle Kimball swore in Bailey and Maginot. After the inauguration the rest of the 1991 officials were officially sworn in.

The 1991 Elected Officials

After the assembly, some staters concluded the evening by working in their newly elected and appointed offices while other staters continued working on city and county ordinances and government problems.

All the government branches were in full operation. The Boys' State Supreme Court went to Topeka to visit the Kansas Supreme Court. Sergeant Steve Jensen took the Boys' State Highway Patrol to the Kansas Correctional Institution and the Kansas Highway Patrol headquarter in Topeka. Governor Bailey addressed a joint session of the legislature.

Each of the seven counties of State nominated a Boys Nation candidate. Each candidate gave a speech at the evening assembly in Murphy Hall. Of these seven candidates, two were elected by popular vote to go to Washington D.C. in July for Boys Nation.

Newly elected Kansas Department Commander George Ball addressed the delegates.

The highlight of the evening was the Talent Show. The talent show allowed the staters to show their many talents. The Boys' State Band and Choir were the first to perform. After the band and choir, comedy skits, vocal songs, and classical and original piano scores of music were performed.

FRIDAY

On Friday, all government branches brought the 1991 session of Boys' State to an end. In the morning, Outstanding Citizens and Boys Nation representatives were elected. The Outstanding Citizens were chosen by their cities while the Nation representatives were voted on by the staters. The Boys Nation candidates were Derek Wallace, from Iola and Mark Maginot from Topeka.

In the evening, the Statesmen's Club rewarded the Governor and the staters for the week's hard work with the Inaugural Celebration. This celebration consisted of a dance and two feature movies.

In many minds, the memory of marching, city meetings, and campaigns were present and the importance of State in a general sense was realized. Yet, the events of the final day, Saturday, were to remind the staters of this importance and perhaps to shine a new light upon the past week for many of the young men.

Hooping it up

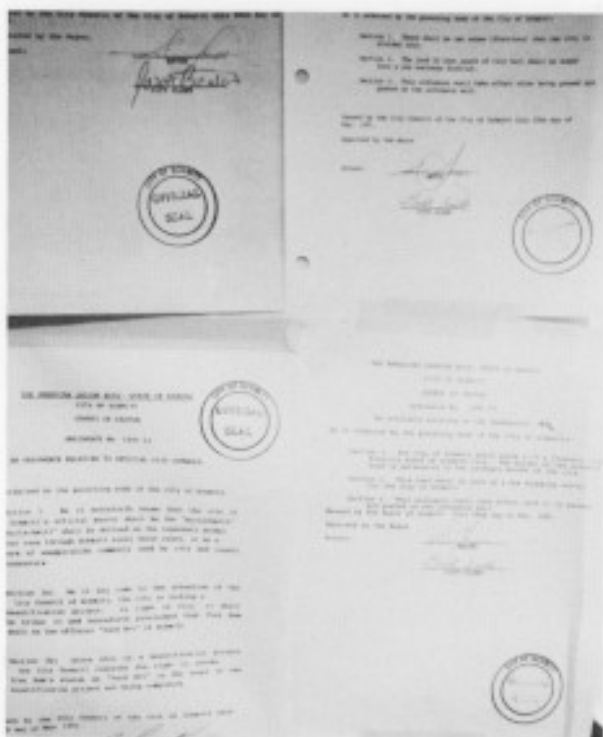

Scooping it up

Grooping it up

Swooping it up

Ordinances, ordinances, ordinances,
ordinances.....

I really like this food, really!

With everything clean and in order, the stater prepared for their last march to Murphy Hall. A slide show helped to review the week's events. The Outstanding Citizens in each city, the Best City, and the Counselor of the Year of Boys' State were announced. Many of the purposes of Boys' State were reflected in Saturday's presentation. After the final assembly, the last march to the retreat area was completed.

The flag was lowered and the fifty-fourth session of Boys' State was over. The sixhundred and ninety-two men who attended Boys' State enhanced the meaning of State for the counselors and advisors. Also, the stater learned about their peers and about themselves.

I'm serious. We're marching backwards to Murphy!

I think the food is great here!

THE FLAG OF OUR GREAT NATION
THIRTEEN STRIPES IN ALL

IF WE LOVE AND PROTECT IT,
IT SHALL NEVER FALL

THE RED STRIPES FOR THE BLOOD THEY SHED
THE WHITE STRIPES FOR THE PURE

AS LONG AS WE PROTECT IT
THE COUNTRY SHALL ENDURE

THE BLUE IS FOR THE ENDLESS SKY
THAT WE SEE ABOVE

AND IN IT FIFTY TWINKLING STARS
FOR THE STATES WE LOVE

EACH TIME I HEAR THE BANNER PLAYED
MY EYES BEGIN TO CLOUD

AND AS THAT TEAR RUNS DOWN MY CHEEK
I HOLD MY HEAD UP PROUD
